Annexure -A: Clarification - 02					
Clarification (SECI/Cont./01/2016/500 Clarification - 02)					
S.No.	Clause No.	Page No.	General clause	Query	clarification
1	Clause 3.25.2.9	Page 45		Why daily Joint meter reading is required? When we are providing remote monitoring of the system. It will be very difficult for Part C bidders, as there maximum allotted project size is very small (up to 25 kWp). For instance if the bidder got 20 projects of 2kWp size (residential projects) then taking daily joint meter readings will be very difficult for the bidder. We request SECI to provide relaxation in this clause for Part C bidders. Rather they can provide Monthly generation data to SECI.	Bidders under PART-C have to maintain the daily Log of meter reading itself and shall submit to SECI month wise jointly signed by both Owner and vendor but Bidders either under PART-A or PART-B shall comply with the Rfs document.
2	Clause 6.2.2	Page 54		Refer to Annexure-C, Pg 117,118,119, Levellized tariff shall be calculated up to three decimal places. Kindly clarify on what will be the decimal places for Levellized tariff calculation.	Please refer Amendment 03
3	Clause 10.4.1	Page 62		What about grid connected Hybrid systems with battery backup? Are they allowed in this scheme? SECI needs to clarify on this.	In any case if the rooftop owner/beneficiary requires the Hybrid rooftop solar PV system, in such case the same may be allowed for places where grid power is erratic or continuously not available during day time. However, the subsidy and the Project cost shall be limited to the discovered L1 subsidy of that State and discovered project cost of that State respectively.
4	cl 3.12 pg 36			When EMD is submitted by DD (instead of BG), the validity of DD issued by any bank is 3 months maximum (as per RBI guidelines) while offer validity is asked for 6 months. How to take care of this, as we have no BG limits ?	SECI will encash the security Amount which is submitted in DD's form and Amount will be released through cheque to the bidders.

5	cl 10.1.1 (A) pg 33			Bid processing fee of Rs 17,175 for PART A & B is stated to be per State while that for PART-C is stated for different States. This is not clear. If PART C bidder quotes for 3 different States, will he have to pay Rs 5,725 in total or 3 times this amount ?	Yes, The Bid Processing fee Rs- 17,500 has to submitted on per state basis(As per Amendment 02).
6			The Annual turnover of Rupees 3.0 Crore per MW of the capacity offered in its Bid in any one of the last 3 financial years preceding the Bid Deadline subjected to the condition that the Bidder should at least have completed one financial year	We can consider the financial year 2015-2016 In this evaluation.Please confirm	Yes, if the audited annual accounts are available.
7				bidders request SECI to specify the category for example builders who have sold out flats to individual owners and the society is managed by some RWA will be covered under the scheme or not?	Provision of Rfs shall prevail
8	3.1.3	Page no - 23		Additional Information	i) Proprietorship/Partnership firms which has been registered in MSME are eligible to bid in PART- C only ii) Proprietorship/partnership firms who are MNRE channel partner are eligible to Bid in PART - C. iii) Proprietorship/Partnership firms who are meeting(i) Technical eligibility criteria as per clause 3.4.2 and (ii) financial eligibility criteria as per clause 3.4.2 are also eligible to bid in PART- C only.
