## Request for Selection (RfS) Document

For

Selection of RE Power Developers for Supply of 5000 MW of Round-the-Clock (RTC) Power from Grid-Connected Renewable Energy (RE) Power Projects, complemented with Power from Coal based Thermal Power Projects in India under Tariff-based Competitive Bidding (RTC-II)

**Tender Search Code on ISN-ETS: SECI-2020-TN000009**

**RfS No. [SECI/C&P/RPD/RTC-II/RfS/5000MW/032020](#)**

Dated : 17.03.2020

## DISCLAIMER

1. Though adequate care has been taken while preparing the RfS document, the bidder(s) shall satisfy themselves that the document is complete in all respect. Intimation regarding any discrepancy shall be given by the prospective bidders to the office of SECI immediately. If no intimation is received from any bidder within **20 (Twenty) days from the date of issuance of RfS documents**, it shall be considered that the document is complete in all respect and has been received/acknowledged by the bidder(s).
2. Solar Energy Corporation of India Ltd (SECI) reserves the right to modify, amend or supplement this document.
3. This RfS document has been prepared in good faith, and on best endeavour basis. Neither SECI nor their employees or advisors make any representation or warranty, express or implied, or accept any responsibility or liability, whatsoever, in respect of any statements or omissions herein, or the accuracy, completeness or reliability of information, and shall incur no liability under any law, statute, rules or regulations as to the accuracy, reliability or completeness of this document, even if any loss or damage is caused by any act or omission on their part.

Place: New Delhi

Date: 17.03.2020

## BID INFORMATION SHEET

The brief details of the RfS are as under:

<b>(A)</b>	<b>NAME OF WORK/ BRIEF SCOPE OF WORK/ JOB</b>	<p>1. Selection of RE Power Developers for Supply of 5000 MW of Round-the-Clock (RTC) Power from Grid-Connected Renewable Energy (RE) Power Projects, complemented with Power from Coal based Thermal Power Projects in India under Tariff-based Competitive Bidding (RTC-II).</p> <p>2. Land, Connectivity and Long Term Open Access shall be in the scope of the Solar Power Developer.</p>

1. Bids must be submitted strictly in accordance with Section-III, Instructions to Bidders (ITB) depending upon Type of Tender as mentioned at Clause no. (D) of Bid Information Sheet. The IFB is an integral and inseparable part of the RfS document.
2. Bidder(s) are required to quote strictly as per terms and conditions of the RfS documents and not to stipulate any deviations/ exceptions.
3. Any bidder, who meets the Qualifying Requirement and wishes to quote against this RfS, may download the complete RfS document along with its amendment(s) if any from ISN-ETS Portal (<https://www.bharat-electronictender.com>) and/ or SECI website ([www.seci.co.in](http://www.seci.co.in)) and submit their Bid complete in all respect as per terms & conditions of RfS Document on or before the due date of bid submission.
4. Clarification(s)/ Corrigendum(s) if any shall also be available on the above referred websites.
5. Bidders are requested to remain updated for any notices/ amendments/ clarifications etc. to the RfS document through the websites <https://www.bharat-electronictender.com> and [www.seci.co.in](http://www.seci.co.in). No separate notifications will be issued for such notices/ amendments/ clarifications etc. in the print media or individually. Intimation regarding notification on the above shall be updated on [www.seci.co.in](http://www.seci.co.in) and the details only will be available from <https://www.bharat-electronictender.com>

# SECTION - I

# DEFINITIONS OF TERMS

Following terms used in the documents will carry the meaning and interpretations as described below:

1. **"ACT" or "ELECTRICITY ACT, 2003"** shall mean the Electricity Act, 2003 and include any modifications, amendments and substitution from time to time;
2. **"AFFILIATE"** shall mean a company that, directly or indirectly,
  - i. controls, or
  - ii. is controlled by, or
  - iii. is under common control with, a company developing a Project or a Member in a Consortium developing the Project and control means ownership, directly or indirectly, of more than 50% (fifty percent) of the voting shares of such company or right to appoint majority Directors;
3. **"APPROPRIATE COMMISSION"** shall mean as defined in the PPA;
4. **"AVAILABILITY"** shall mean as defined in the PPA;
5. **"BID" or "PROPOSAL"** shall mean the documents submitted by the Bidder towards meeting the techno-commercial and financial qualifying requirements, along with the price bid submitted by the Bidder as part of its response to the RfS issued by SECI.
6. **"BIDDER"** shall mean Bidding Company (including a foreign company) or a Bidding Consortium submitting the Bid. Any reference to the Bidder includes Bidding Company/ Bidding Consortium, Member of a Bidding Consortium including its successors, executors and permitted assigns and Lead Member of the Bidding Consortium jointly and severally, as the context may require; foreign companies participating in the bidding process shall be registered as companies as per the rules of their country of origin;
7. **"BIDDING CONSORTIUM" or "CONSORTIUM"** shall refer to a group of Companies that collectively submit the response in accordance with the provisions of this RfS under a Consortium Agreement;
8. **"BID CAPACITY"** shall mean aggregate project capacity of the RE Power Project(s) complemented by Thermal Power Project(s) as proposed by the bidder;
9. **"CAPACITY Utilization Factor or CUF"** shall have the same meaning as provided in CERC (Terms and Conditions for Tariff determination from Renewable Energy Sources) Regulations, 2009 as amended from time to time.  
For illustration, CUF shall be calculated based on the annual energy injected and metered at the Delivery Point. In any Contract Year, if 'X' MWh of energy has been metered out at the Delivery Point for 'Y' MW Project capacity,  $CUF = (X \text{ MWh} / (Y \text{ MW} * 8766)) * 100\%$ .  
It may be noted that in the above illustration, the capacity 'Y' MW shall refer to the Contracted Capacity in terms of the PPA;
10. **"CHARTERED ACCOUNTANT"** shall mean a person practicing in India or a firm whereof all the partners practicing in India as a Chartered Accountant(s) within the meaning of the Chartered Accountants Act, 1949.

- For bidders incorporated in countries other than India, “Chartered Accountant” shall mean a person or a firm practicing in the respective country and designated/ registered under the corresponding Statutes/ laws of the respective country;
11. **“COMPANY”** shall mean a body corporate incorporated in India under the Companies Act, 2013 or any law in India prior thereto relating to Companies, as applicable;
  12. **“COMMERCIAL OPERATION DATE (COD)”** shall mean the date as defined in Clause no. 17, Section-III, Instructions to Bidders (ITB) of RfS Documents;
  13. **“CONTRACTED CAPACITY”** shall mean the AC capacity in MW contracted with SECI for supply by the RPD to SECI at the Delivery Point from the Project, and shall be equal to the Project Capacity as defined;
  14. **“CONTRACT YEAR”** shall mean the period beginning from the Effective Date of the PPA and ending on the immediately succeeding 31<sup>st</sup> March and thereafter each period of 12 months beginning on 1<sup>st</sup> April and ending on 31<sup>st</sup> March provided that:
    - (a) in the financial year in which the Scheduled Commissioning Date would occur, the Contract Year shall end on the date immediately before the Scheduled Commissioning Date and a new Contract Year shall commence once again from the Scheduled Commissioning Date and end on the immediately succeeding 31<sup>st</sup> March, and thereafter each period of 12 (Twelve) Months commencing on 1<sup>st</sup> April and ending on 31<sup>st</sup> March, and
    - (b) provided further that the last Contract Year of this Agreement shall end on the last day of the Term of this Agreement;
  15. **“CONTROL”** shall mean the ownership, directly or indirectly, of more than 50% (fifty percent) of the voting shares of such Company or right to appoint majority Directors;
  16. **“CONTROLLING SHAREHOLDING”** shall mean more than 50% of the voting rights and paid up share capital in the Company/ Consortium;
  17. **“CENTRAL TRANSMISSION UTILITY (CTU)”** shall mean the Central Transmission Utility as defined in sub-section (10) of section 2 of the Electricity Act 2003;
  18. **“DAY”** shall mean calendar day;
  19. **“EFFECTIVE DATE”** shall mean the date as on 90<sup>th</sup> day from the date of issuance of Letter of Award (LOA), which shall be indicated in the Power Purchase Agreement (PPA) executed by both the parties;
  20. **“ENERGY STORAGE SYSTEMS” or “ESS”** shall mean the system(s) installed in addition to the RE power capacity as part of the Project, that can capture energy produced at one time for use at a later time;
  21. **“EQUITY”** shall mean Net Worth as defined in Companies Act, 2013
  22. **“FINANCIAL CLOSURE” or “PROJECT FINANCING ARRANGEMENTS”** means arrangement of necessary funds by the RPD towards 100% Project Cost either by way

of commitment of funds by the Company from its internal resources and/or tie up of funds through a bank/ financial institution by way of sanction of a loan or letter agreeing to finance;

23. **“GUIDELINES”** shall mean the Draft Guidelines for “Tariff Based Competitive Bidding Process for Procurement of Round-The Clock Power from Grid Connected Renewable Energy Power Projects, complemented with Power from Coal Based Thermal Power Projects” issued by the Ministry of New & Renewable Energy vide F.No. 283/48/2019-GRID SOLAR dated 12.02.2020, and its final version, including subsequent amendments and clarifications thereof.
24. **“GROUP COMPANY”** of a Company means
- (a) a Company which, directly or indirectly, holds 10% (Ten Percent) or more of the share capital of the Company or;
  - (b) a Company in which the Company, directly or indirectly, holds 10% (Ten Percent) or more of the share capital of such Company or;
  - (c) a Company in which the Company, directly or indirectly, has the power to direct or cause to be directed the management and policies of such Company whether through the ownership of securities or agreement or any other arrangement or otherwise or;
  - (d) a Company which, directly or indirectly, has the power to direct or cause to be directed the management and policies of the Company whether through the ownership of securities or agreement or any other arrangement or otherwise or;
  - (e) a Company which is under common control with the Company, and control means ownership by one Company of at least 10% (Ten Percent) of the share capital of the other Company or power to direct or cause to be directed the management and policies of such Company whether through the ownership of securities or agreement or any other arrangement or otherwise;

Provided that a financial institution, scheduled bank, foreign institutional investor, Non-Banking Financial Company, and any mutual fund, pension funds and sovereign funds shall not be deemed to be Group Company, and its shareholding and the power to direct or cause to be directed the management and policies of a Company shall not be considered for the purposes of this definition unless it is the Project Company or a Member of the Consortium developing the Project;

25. **“INTER-CONNECTION POINT/ DELIVERY/ METERING POINT”** shall mean a single point or multiple points at 220kV or above, where the power from the Project is injected into the identified ISTS Substation (including the dedicated transmission line connecting the Projects with the substation system) as specified in the RfS document. Interconnection at 132kV will be allowed exclusively in case the project is granted connectivity at an available bay of an existing ISTS substation, if any. Metering shall be done at this interconnection point where the power is injected into. For interconnection with grid and metering, the RPDs shall abide by the relevant CERC/ SERC Regulations, Grid Code and Central Electricity Authority (Installation and Operation of Meters) Regulations, 2006 as amended and revised from time to time.
26. **“INTERMEDIARY PROCURER”** shall mean a trader who shall aggregate the power purchased from different RE Projects and sell it to the distribution licensee(s)

27. **“JOINT CONTROL”** shall mean a situation where a company has multiple promoters (but none of the shareholders has more than 50% of voting rights and paid up share capital);
28. **“LEAD MEMBER OF THE BIDDING CONSORTIUM” or “LEAD MEMBER”**: There shall be only one Lead Member, having the shareholding of not less 51% in the Bidding Consortium.

*Note: The shareholding of the Lead member in the Project Company (Special Purpose Vehicle) cannot be changed till 03 (Three) years after the Commercial Operation Date (COD) of the Project;*

29. **“LETTER OF AWARD” or “LOA”** shall mean the letter issued by Solar Energy Corporation of India Limited (SECI) to the selected Bidder for award of the Project;
30. **“LIMITED LIABILITY PARTNERSHIP” or “LLP”** shall mean a Company governed by Limited Liability Partnership Act 2008 or as amended;
31. **“LLC”** shall mean Limited Liability Company;
32. **“MEMBER IN A BIDDING CONSORTIUM” or “MEMBER”** shall mean each Company in a Bidding Consortium. In case of a Technology Partner being a member in the Consortium, it has to be a Company;
33. **“MONTH”** shall mean calendar month;
34. **“NET-WORTH”** shall mean the Net-Worth as defined section 2 of the Companies Act, 2013;
35. **“PAID-UP SHARE CAPITAL”** shall mean the paid-up share capital as defined in Section 2 of the Companies Act, 2013;
36. **“PARENT”** shall mean a Company, which holds more than 50% voting rights and paid up share capital, either directly or indirectly in the Project Company or a Member in a Consortium developing the Project;
37. **“POOLING SUBSTATION/ POOLING POINT”** shall mean a point where more than one Solar PV Project may connect to a common Transmission System. Multiple Projects can be connected to a pooling substation from where common transmission system shall be constructed and maintained by the RPD(s) to get connected to the ISTS substation. The voltage level for such common line shall be 220 kV or above. Further, the metering of the pooled power shall be done at the injection point, i.e. the ISTS substation. However, the voltage level of transmission system of individual projects up to the pooling substation may be at 33 kV and above. Sub-meters shall be installed at the pooling substation for metering and forecasting and scheduling of individual Projects. The losses in the common transmission system up to the injection point shall be apportioned to the individual Projects for the purpose of billing.
38. **“PGCIL” or “POWERGRID”** shall mean Powergrid Corporation of India Limited;

39. **“PPA”** shall mean the Power Purchase Agreement signed between the Selected bidder and SECI according to the terms and conditions of the standard PPA enclosed with this RfS;
40. **“PROJECT”** shall mean the renewable energy generation facility, comprising all the various components classified by the MNRE as “Renewable Energy Sources”, for supply of RE power, including ESS, if any, complemented by Thermal Power Sources, having single or multiple point(s) of injection into the grid at Interconnection/ Delivery/ Metering Point, or in case of sharing of transmission lines, by separate injection at Pooling Point and having separate control systems and metering. The Project shall include all renewable and thermal power generation units, auxiliaries and associated facilities, bay(s) for transmission system in the their switchyard, dedicated transmission line up to the injection point and all the other assets, buildings/structures, equipment, plant and machinery, facilities and related assets required for the efficient and economic operation of the power generation facility, whether completed or at any stage of development and construction or intended to be developed and constructed for the purpose of supply of power to SECI. It may be noted that the sources of generation and ESS, if any, may be co-located, or may be located at different locations, to be considered a single Project. However, ESS, if any, shall mandatorily be co-located with at least one of the RE sources of generation in the Project;
41. **“PROJECT CAPACITY”** shall mean the maximum AC capacity at the delivery point that can be scheduled on which the Power Purchase Agreement shall be signed;
42. **“PROJECT COMMISSIONING”**: The Project will be considered as commissioned if all equipment as per rated project capacity has been installed and energy has flown into grid, in line with the Commissioning procedures defined in the RfS/ PPA;
43. **“PROJECT DEVELOPER” or “DEVELOPER” or “RE POWER DEVELOPER (RPD)”** shall mean the Bidding Company or a Bidding Consortium participating in the bid and having been selected and allocated a project capacity by SECI (through a competitive bidding process), including the SPV formed by the selected bidder/ consortium for the purpose of setting up of project and signing of PPA with SECI;
44. **“PROJECT LOCATION”** shall mean the area identified by the RPD, comprising village(s), Tehsil(s)/Taluk(s) and District(s) within a State, where the Project is being implemented;
45. **“RENEWABLE ENERGY (RE) POWER”** shall mean power from a RE Power Project, with or without Energy Storage System (ESS), commissioned in pursuance of bidding process under this RfS and the term RE Project to be construed accordingly;
46. **“RENEWABLE ENERGY (RE) POWER PROJECT”** shall mean a Project generating electrical energy from Renewable energy sources as defined by MNRE, including, but not limited to Solar PV Power Project or Wind Power Project or Small Hydro Power project or a combination thereof, with or without Energy Storage System (ESS);
47. **“RfS DOCUMENT”** shall mean the bidding document issued by SECI including all attachments, clarifications and amendments thereof vide Rfs No. SECI/C&P/RPD/RTC-II/RfS/5000MW/032020 dated 17.03.2020;

48. **“ROUND-THE-CLOCK”** or **“RTC”** shall mean the 24-hour period of the day during which, the energy as per Contracted Capacity shall be supplied by the RPD;
49. **“SECI”** shall mean Solar Energy Corporation of India Limited;
50. **“SCHEDULED COMMISSIONING DATE”** or **“SCD”** shall be the date as indicated in Clause 16, Section-III of the RfS;
51. **“SELECTED BIDDER”** or **“SUCCESSFUL BIDDER”** shall mean the Bidder selected pursuant to this RfS to set up the Project and supply electrical output as per the terms of PPA;
52. **“SOLAR PV POWER PROJECT”** shall mean the Solar Photo Voltaic Power Project that uses sunlight for direct conversion into electricity through Photo Voltaic Technology;
53. **“STATE TRANSMISSION UTILITY”** or **“STU”** shall mean the Board or the Government Company notified by the respective State Government under Sub-Section I of Section 39 of the Electricity Act, 2003;
54. **“THERMAL POWER”** shall mean power from an existing or under construction coal based Thermal Power Project;
55. **“THERMAL POWER PROJECT”** shall mean Coal based Thermal Power Project, using coal as the source for conversion from mechanical energy to electrical energy, and shall include thermal power plants which are already, partly or fully, commissioned before the issuance of bids or are under construction at the time of issuance of bids, but have spare generation capacity that can be made available for long-term supply of RTC Power under this RfS. The Thermal Power can be based on domestic coal as fuel, or on coal from imported sources. However, whether the fuel is domestic coal or imported coal needs to be clearly stipulated at the time of bid submission. The ‘spare capacity’, referred above, is that capacity of a thermal power project that is unencumbered from any power supply commitments or power purchase agreements and is available for augmenting the proposed RE power under this RfS.
56. **“TOE”** shall mean Tender Opening Event.
57. **“TRADING MARGIN”** shall mean the margin on sale of solar power to State Utilities/ Discoms/ other Bulk Consumers under this RfS being charged by SECI and shall be @ INR 0.07/kWh;
58. **“ULTIMATE PARENT”** shall mean a Company, which owns more than 50% (Fifty Percent) voting rights and paid up share capital, either directly or indirectly in the Parent and Affiliates;
59. **“WEEK”** shall mean calendar week;
60. **“WIND POWER PROJECT”** means the wind power project that uses wind energy for conversion into electricity through a wind turbine generator.

# **SECTION - II**

# **INVITATION FOR BIDS (IFB)**

**INVITATION FOR BIDS (IFB)  
FOR  
Selection of RE Power Developers for Supply of 5000 MW of Round-the-Clock (RTC)  
Power from Grid-Connected Renewable Energy (RE) Power Projects, complemented  
with Power from Coal based Thermal Power Projects in India under Tariff-based  
Competitive Bidding (RTC-II)  
(SINGLE STAGE TWO ENVELOPE BIDDING)  
under e-Tendering**

1. Solar Energy Corporation of India Limited (hereinafter called "SECI") is a Government of India Enterprise under the administrative control of the Ministry of New & Renewable Energy (MNRE). One of the main objectives of the Company is to assist the Ministry and function as the implementing and facilitating arm of the National Solar Mission (NSM) for development, promotion and commercialization of solar energy technologies in the country.
2. In order to facilitate grid connected solar power, the first phase of National Solar Mission provided for a scheme of "bundling" wherein, then relatively expensive solar power was bundled with cheaper thermal power from the unallocated quota of the Government of India (Ministry of Power), generated at NTPC coal-based stations.
3. With the intervention of Government of India, through Ministry of New & Renewable Energy, the risks associated with solar and wind power sector have been brought down by way of advanced arrangement of land and evacuation through solar parks, green energy corridors, a secure and standardized PPA for 25 years with elaborate mechanism for risk apportionment and compensations, payment security, etc.
4. Such de-risking of renewable energy sector, coupled with advancement of technologies and economies of scale have resulted in bringing down the tariffs in solar and wind power sector to levels lower than the cost of power from the contemporary thermal power plants, thereby aiding in rapid deployment of solar and wind capacity in the country.
5. However, the renewable energy sector has its own share of issues in terms of intermittent and unpredictable nature of renewable energy and also low capacity utilization of transmission system. The problem gets pronounced with the addition of large-scale renewable capacity. In order to manage the infirm nature of power, electricity distribution companies (DISCOMs) are procuring balancing power to provide grid stability and to meet its requirements during hours /periods of non- availability of renewable energy (RE).
6. The developments in renewable energy sector and the necessity to address the issues of intermittency, limited hours of supply and low capacity utilization of transmission infrastructure make case for "reverse bundling", wherein high cost coal based thermal power is allowed to be bundled with cheaper renewable energy, and is provided round-the-clock to the distribution company (DISCOM).

With the objective to provide RTC power to the DISCOMs through renewable energy sources complemented with coal based thermal power, to facilitate the scale up of renewable capacity addition and achieve economies of scale, to facilitate fulfilment of RPO requirement of the obligated entities, MNRE has issued a "Draft Guideline for Tariff Based Competitive Bidding Process for Procurement of Round-The Clock Power from Grid Connected Renewable Energy Power Projects, complemented with Power from Coal

Based Thermal Power Projects" vide F.No. 283/48/2019- GRID SOLAR dated 12.02.2020. These Guidelines have been issued under the provisions of Section 63 of the Electricity Act, 2003 for long term procurement of electricity by the 'Procurers', on Round-The-Clock (RTC) basis, from grid-connected Renewable Energy (RE) Power Projects ('RE Projects'), complemented with power from coal based Thermal Power Projects ('Thermal Projects'), through competitive bidding. This RfS document has been prepared in line with the above Guidelines

7. Power procured by SECI from the above Projects has been provisioned to be sold to the different Buying Utilities of India. The details of Buying Utilities shall be intimated at a later date. SECI shall at its discretion be entitled to substitute any entity in other states only for selling the power procured from the selected Bidder. SECI shall be an intermediary nodal agency for procurement of power generated by the RPD and sale of such power to the Buying entity(ies) entirely on back to back basis based on due performance by the RPD as well as the Buying entity (ies).

### **OVERVIEW OF THE RfS**

8. RE Power Developers (hereinafter referred to as RPDs) selected by SECI based on this RfS, shall set up RE Power Projects on Build Own Operate (BOO) basis in accordance with the provisions of this RfS document and standard Power Purchase Agreement (PPA). PPA formats shall be shortly uploaded and can be downloaded from ISN-ETS portal <https://www.bharat-electronictender.com>
9. SECI shall enter into PPA with successful RPDs for a period of 25 years from the date as per the provisions of PPA. **A composite single tariff for renewable energy, complemented with thermal energy shall be quoted by the bidders.**

This shall be inclusive of all statutory taxes, duties, levies, cess etc. if applicable as on the last date of bid submission.

It is clarified that any change in the rates of any Taxes after the last day of submission of the bid, including any duties and cess or introduction of any new tax made applicable for setting up the project and supply of power from Project by the RPD which have a direct effect on the Project, shall only be considered as change in law. However, Change in Law shall not include (i) any change in taxes on corporate income; or (ii) any change in any withholding tax on income or dividends.

The Bidders will be free to avail fiscal incentives like Accelerated Depreciation, Concessional Customs and Excise Duties, Tax Holidays etc. as available for such Projects. The same will not have any bearing on comparison of bids for selection. As equal opportunity is being provided to all bidders at the time of tendering itself, it is up to the bidders to avail various tax and other benefits. No claim shall arise on SECI for any liability if bidders are not able to avail fiscal incentives and this will not have any bearing on the applicable tariff. SECI does not however, give a representation on the availability of fiscal incentive and submission of bid by the bidder shall be independent of such availability or non-availability as the case may be of the fiscal incentives.

10. Bidders shall submit their bid by offering a composite single tariff for all the Projects quoted for.

**Under the RfS, the minimum bid capacity shall be 500 MW.** The RPD shall supply RE power complemented with thermal power, if required, on “Round-the-Clock” basis, keeping at least 80% availability on annual basis. The RPD is required to supply at least 51% of annual energy from RE sources, including ESS if any, for the purpose of this RfS and the balance may be drawn from existing coal based thermal energy Projects.

The RPD can combine Energy Storage Systems (ESS) for ensuring that it achieves the required minimum annual availability of 80%. However, a minimum of 51% of energy shall be despatched from renewable sources. This 51% shall also include despatch from the storage system, provided RE sources are used to store energy in the storage system.

11. If the Project is transferred or sold to a third party during its tenure (after initial lock-in period of 3 years after COD), SECI will retain full rights to operationalize the PPA with the third party, which will be under full obligation to honour all the obligations and terms & conditions of the PPA.

### **SELECTION OF TECHNOLOGY & ELIGIBLE PROJECTS UNDER THIS RFS**

12. The Projects to be selected under this RfS for aggregate capacity of 5000 MW to be installed anywhere in India, provide for deployment of Renewable Power Project on Build-Own-Operate Basis, complemented with Thermal Power Projects. However, the selection of projects would be technology agnostic within the classification of “Renewable energy sources” as defined by MNRE, along with energy storage systems, if any. Only commercially established and operational technologies may be used, to minimize the technology risk and to achieve the timely commissioning of the Projects. For setting up the RE Projects, the RPD shall strictly adhere to the specific respective Guidelines for the renewable energy components, in line with the applicable Policies of the State (wherever applicable), where the Project is located.
13. The Developer shall set-up generating system(s) for supply of RE Power and may complement the RE Power through supply of Thermal Power from thermal Generating System(s) in order to meet the commitment of RTC supply.
14. Bidders are allowed to form Joint Ventures and Consortia. In order to ensure that the ‘spare capacity’ of thermal power has been tied up by the bidders, the bidders have to submit, at the time of bid submission, proof of such tie-up and the availability of spare capacity of thermal power, in the thermal power plant so tied up, corresponding to at least 60% of their offered bid capacity. A thermal power generator cannot tie up with more than one bidder, for the same ‘spare capacity’. Only when a bid has been concluded and the said spare thermal power capacity is not part of the successful bid, that such thermal capacity can be tied up for participation in other tenders. However, multiple spare capacities of the same thermal power plant can be tied up with different bidders in the same tender.
15. An entity, for the purpose of participation in bids under these Guidelines, may tie up with multiple ‘spare capacities’ of different thermal power plants, and submit a single bid for the same, in a particular tender. Irrespective of the contractual arrangement between the RE Power Developer and Thermal Power Generator, all the developer related liabilities, under this RfS and the PPA thereunder, shall be of the entity signing the PPA, and recognised as RPD.

16. RPD is required to supply at least 51% of annual energy from RE sources, including ESS if any, for the purpose of this RfS. RE Power may include solar, wind, small hydro, or a combination thereof, with or without any Energy Storage System (ESS). The option of selecting the type and mix of RE sources and the usage of ESS shall be with the Generator.
17. Already commissioned RE projects cannot be considered under this RfS. RE Projects under construction or projects which are not yet commissioned will, however, be considered, in case these projects are not already accepted under any other Central or State Schemes. Enhancement and augmentation of already commissioned RE Projects, irrespective of their capacities will not be considered as eligible Project under this scheme. Already commissioned or under construction thermal projects can be considered under this scheme, provided they have spare generation capacity that can be made available for long-term supply of Power. The Thermal Power can be based on domestic coal as fuel, or on coal from imported sources. However, whether the fuel is domestic coal or imported coal needs to be clearly stipulated at the time of bid submission. The 'spare capacity', referred above, is that capacity of a thermal power project that is unencumbered from any power supply commitments or power purchase agreements and is available for augmenting the proposed RE power under this RfS.

#### **GUIDELINES FOR IMPLEMENTATION OF THE RfS**

18. This RfS document has been prepared based on the Draft Scheme for "Supply of Round-The-Clock (RTC) Power from RE Power Projects, complemented with Power from Thermal Power Projects" issued by Ministry of New & Renewable Energy vide F.No. 283/48/2019-GRID SOLAR dated 02.01.2019, including its final version and subsequent amendments and clarifications.
19. Solar Energy Corporation of India Limited (SECI) has issued this RfS in the capacity of "Intermediary Procurer" as defined in the aforementioned Guidelines, SECI may develop a suitable monitoring mechanism, to analyse the performance of the project and carry out random checks to verify compliance of quality standards.

#### **GENERAL**

20. The complete RfS Documents are available at ISN-ETS portal <https://www.bharat-electronictender.com> as well as on SECI's website <http://www.seci.co.in>. Interested bidders shall download the RfS Documents from the portal <https://www.bharat-electronictender.com> as per the provisions available therein.
21. Interested bidders have to necessarily register themselves on the portal <https://www.bharat-electronictender.com> through M/s Electronic Tender.com (India) Pvt. Limited to participate in the bidding under this invitation for bids. It shall be the sole responsibility of the interested bidders to get themselves registered at the aforesaid portal for which they are required to contact M/s Electronic Tender.com (India) Pvt. Limited, New Delhi to complete the registration formalities. Contact details of ISN-ETS is mentioned on the Bid Information Sheet. All required documents and formalities for registering on ISN-ETS are mentioned in the subsequent RfS documents.

They may obtain further information regarding this IFB from the registered office of SECI at the address given on the Bid Information Sheet from 10:00 hours to 17:00 hours on all working days.

For proper uploading of the bids on the portal namely <https://www.bharat-electronictender.com> (hereinafter referred to as the 'portal'), it shall be the sole responsibility of the bidders to apprise themselves adequately regarding all the relevant procedures and provisions as detailed in the portal as well as by contacting M/s Electronic Tender.com (India) Pvt. Limited directly, as and when required, for which contact details are also mentioned on the Bid Information Sheet. SECI in no case shall be responsible for any issues related to timely or properly uploading/ submission of the bid in accordance with the relevant provisions of Section II - ITB of the Bidding Documents.

22. While submitting/ uploading the bids, the system through portal asks to key in the pass-phrase for encryption of the documents. The pass-phrase is required by SECI for opening the bids (Separate for both First Envelopes as well as Second Envelopes). **The same may be submitted on the portal as per the provisions existing for submission of the pass-phrase and as per the details given in ITB.**

In the event of not opening of the bid with the pass-phrase provided by the bidder, SECI on its discretion may give an option through the portal, to the bidder to open its bid as per provisions available on the portal. However, SECI shall not be responsible if bid could not be opened within reasonable time for what so ever reason. In such a case, the bid shall be sent unopened to 'Archive' on the portal and shall not be considered at all any further.

23. A Single Stage Two Envelope Bidding Procedure will be adopted and will proceed as detailed in the RfS Documents. Bidding will be conducted through the competitive bidding procedures as per the provisions of ITB/ BDS and the contract shall be executed as per the provisions of the Contract. The respective rights of SECI and the Bidder/ RPD shall be governed by the RfS Documents/ Contract signed between SECI and the RPD for the package.
24. Bidders should submit their bid proposal online complete in all aspect on or before last date and time of Bid Submission as mentioned on ISN-ETS Portal (<https://www.bharat-electronictender.com>), SECI website <http://www.seci.co.in> and as indicated in the Bid Information Sheet.
25. Bidder shall submit bid proposal along with non-refundable RfS Document Fees and Bid Processing Fees, Earnest Money Deposit (EMD) complete in all respect as per the Bid Information Sheet. Techno-Commercial bids will be opened as per the Bid Information Sheet in online presence of authorised representatives of bidders who wish to be present online. Bid proposals received without the prescribed Document Fees, Bid Processing Fees and Earnest Money Deposit (EMD) will be rejected. **In the event of any date indicated is a declared Holiday, the next working day shall become operative for the respective purpose mentioned herein.**
26. RfS documents which include Eligibility Criteria, Technical Specifications, various Conditions of Contract, Formats etc. can be downloaded from ISN-ETS Portal (<https://www.bharat-electronictender.com>) or from SECI website

(<http://www.seci.co.in>). It is mandatory to download official copy of RfS Document from Electronic Tender System (ISN-ETS) Portal to participate in the Tender. Any amendment(s)/ corrigendum(s)/ clarification(s) with respect to this RfS shall be uploaded on ISN-ETS website. The Bidder should regularly check for any Amendment(s)/ Corrigendum(s)/ Clarification(s) on the above mentioned ISN-ETS website. The same may also be uploaded on SECI website <http://www.seci.co.in> also. **However, in case of any discrepancy, the information available on ISN-ETS website shall prevail.**

27. In case the RfS provides provision for multiple bids by a common bidder, then separate EMD(s), Bid Processing Fees and Document Fees shall be furnished for all the bids as listed out in the RfS along with the response to RfS. Kindly refer the Clause of Bid Information Sheet for details. EMD shall be enclosed in a sealed envelope and shall be submitted in the office of SECI (offline) whose mailing address is mentioned in the Bid Information Sheet.
28. The detailed Qualifying Requirements (QR) are given in Section-IV of RfS.
29. SECI shall conduct e-Reverse Auction (e-RA), if required or as per provisions of RfS documents.
30. ***SECI reserves the right to cancel/ withdraw/ defer this invitation for bids without assigning any reason and shall bear no liability whatsoever consequent upon such a decision.***

### **INTERPRETATIONS**

1. Words comprising the singular shall include the plural & vice versa.
2. An applicable law shall be construed as reference to such applicable law including its amendments or re-enactments from time to time.
3. A time of day shall save as otherwise provided in any agreement or document be construed as a reference to Indian Standard Time.
4. Different parts of this contract are to be taken as mutually explanatory and supplementary to each other and if there is any differentiation between or among the parts of this contract, they shall be interpreted in a harmonious manner so as to give effect to each part.
5. The table of contents and any headings or sub headings in the contract has been inserted for case of reference only & shall not affect the interpretation of this agreement.

# SECTION - III

# INSTRUCTIONS TO BIDDERS (ITB)

## Preamble

This part (Section - III) of the RfS Documents provides the information necessary for bidders to prepare responsive bids, in accordance with the requirements of SECI. It also provides information on bid submission and uploading the bid on portal

<https://www.bharat-electronictender.com>, bid opening, evaluation and on contract award. This Section (Section III) contains provisions that are to be used unchanged unless consists of provisions that supplement, amend, or specify in detail, information or requirements included in RfS and that are specific to each procurement, states otherwise.

Bidders may note that the respective rights of SECI and Bidders/RPDs shall be governed by the RfS Documents/Contracts signed between SECI and the Bidders/RPDs. The provisions of RfS Documents shall always prevail over any other documents in case of contradiction.

Further in all matters arising out of the provisions of this Section - III and the RfS Documents, the laws of India shall be the governing laws subject to regulatory and adjudicatory jurisdiction of the Central Electricity Regulatory Commission and courts of New Delhi shall have exclusive jurisdiction.

## 1. **OBTAINING RfS DOCUMENTS**

The RfS document can be downloaded from the website of M/s Electronic Tender.com (India) Pvt. Limited <https://www.bharat-electronictender.com>. A link of the same is also available at [www.seci.co.in](http://www.seci.co.in).

**Note:** Interested bidders have to download the official copy of RfS & other documents after login into the ISN-ETS portal by using the Login ID & Password provided by ISN-ETS during registration (Refer Annexure - C). The bidder shall be eligible to submit/ upload the bid document only after logging into the ISN-ETS portal and downloading the official copy of RfS.

## 2. **COST OF DOCUMENTS & PROCESSING FEES**

Prospective Bidders interested to participate in the bidding process are required to submit their Project proposals in response to this RfS document along with a non-refundable processing fee as mentioned in the Bid Information Sheet. A bidding Company/ Consortium will be eligible to participate in the bidding process only on submission of entire financial amounts as per the Bid Information Sheet. In case the Bidder chooses to submit the amounts pertaining to Cost of RfS document and Bid Processing Fee through NEFT/RTGS (electronic transfer), the Bidder shall submit the transaction receipt instead of the corresponding DDs, as part of the offline bid submission.

The bank details of SECI are available on [www.seci.co.in](http://www.seci.co.in) under the “Financials” Tab.

**Bids submitted without cost of the RfS document and/or Bid Processing Fee and/or Bank Guarantee against Earnest Money Deposit (EMD) (including partial submission of any one of the respective amounts), may be liable for rejection by SECI.**

MSMEs (Micro, Small and Medium Enterprises) registered under NSIC/DIC/Udyog Aadhar Only are exempted from submission of Tender Processing Fee & Earnest Money Deposit (EMD).

## 3. **TOTAL CAPACITY OFFERED**

3.1 Selection of RE Power Projects for total capacity of 5000 MW will be carried out through e-bidding followed by e-Reverse Auction process. The Projects may be setup anywhere in India.

3.2 The interested Bidders are required to participate in the Request for Selection (RfS) for installation of ISTS-Connected RE Power Projects on Build-Own-Operate (B-O-O) basis under the scheme.

### 3.3 **Capacity of each Project:**

RE Projects are required to be designed for inter-connection with the ISTS substation at voltage level of 220kV or above. For each Project, the minimum Project capacity shall be **500 MW** and the maximum capacity shall be **5000 MW**. The RPDs shall demonstrate

the contracted capacity at the injection point, as defined in the Commissioning procedure enclosed in Annexure-A-2.

Project Configuration:

The term “Project” shall have the meaning as defined in Section I of the RfS, and shall refer to the Project capacity as quoted by the bidder (at the time of bidding)/awarded to the Bidder (after issue of LOA).

**Note:** Under this tender, the term “Project”, in its various connotations in the RfS, PPA and PSA documents, shall be limited to the Project capacity of the RE Power Project, and the Contracted Capacity or the Project Capacity as referred to in the PPA, shall only refer to the rated RE capacity being installed by the RPD. Tie-ups with thermal projects, if any, will be acknowledged only towards for the requirement of complementing energy supply from the RE capacity, to meet RTC requirements under the tender. The installed capacity of the thermal project components in this case, will not be considered as part of the Project Capacity or Contracted Capacity under the RfS, PPA and PSA.

The RPD is free to choose the rated installed capacity of these components, in line with the interconnection guidelines to be followed for connection to the ISTS-network.

**Note:** In the interest of utilizing the optimization potential offered by hybridization of various RE technologies, it is hereby reiterated that the Project capacity does not necessarily have to be the arithmetic sum of the installed capacity of the various components being utilized.

4. **PROJECT LOCATION**

4.1 The Projects can be located any where in India. For better grid balancing, different components of RTC power i.e. solar, wind, small hydro, and thermal can be connected with the CTU network at multiple injection points, but within the same RLDC region.

5. **PROJECT SCOPE & TECHNOLOGY SELECTION**

Under this RfS, the RPD shall set up RE Power Project complemented with Thermal (Coal) Power Project including the dedicated transmission network up to the Interconnection/ Delivery Point, at its own cost and in accordance to the provisions of this RfS document. All approvals, permits and clearances required for setting up of the Project and/ or dedicated transmission network upto interconnection/ delivery point (including connectivity and LTA) including those required from State Government and local bodies shall be in the scope of the RPD.

6. **MAXIMUM ELIGIBILITY FOR PROJECT CAPACITY ALLOCATION FOR A BIDDER**

Following conditions shall be applicable to the Bidders for submission of bids against this RfS:

- (i) A Bidder including its Parent, Affiliate or Ultimate Parent or any Group Company may submit a single bid for any quantity between (and including) **500 MW** to **5000 MW**, in the prescribed formats.
- (ii) For each Project, the minimum Project capacity shall be **500 MW** and the maximum capacity shall be **5000 MW**. The total capacity to be allocated to a Bidder including its Parent, Affiliate or Ultimate Parent or any Group Company shall be up to **5000 MW**.

- (iii) The evaluation of bids shall be carried out as described in Section-V of RfS. The methodology for Allocation of Projects is elaborated in Section-V of RfS.
- (iv) In case the Bidder wishes to set up more than One Project, then the Projects would need to be physically identifiable for the Project Capacity with separate boundary wall, separate injection points and metering arrangement.
- (v) Multiple bids from same company including its Parent/ Ultimate Parent/Affiliates/Group Companies shall make all the bids submitted by the group invalid.

## **7. CONNECTIVITY WITH THE GRID**

- 7.1 The Project should be designed for interconnection with the ISTS in accordance with the prevailing CERC regulations in this regard. For interconnection with the grid and metering, the RPD shall abide by the applicable Grid Code, Grid Connectivity Standards, Regulations on Communication System for transmission of electric and other regulations (as amended from time to time) issued by Appropriate Commissions and Central Electricity Authority (CEA). Minimum voltage for interconnection at the ISTS shall be 220 kV. Different components of RTC power i.e. solar, wind, small hydro and thermal can be connected with CTU at different CTU sub-stations, but within the same RLDC region.
- 7.2 The Bidders are free to choose the ISTS substations for Interconnection of the Project to the grid on a pan-India basis from available margin in existing substations and in line with clause 7.10 below.
- 7.3 As intimated above, the responsibility of getting the transmission connectivity and Long Term Access (LTA) shall entirely be the RPD and shall be at the cost of the RPD. The transmission of power up to the point of interconnection where metering is done for energy accounting, shall be the responsibility of the RPD at his own cost. In case an RPD is required to use InSTS to bring RE power at ISTS point, he may do so as per rule and regulations prescribed by the respective SERC in this regard. The maintenance of Transmission system up to the interconnection point shall be responsibility of the RPD, to be undertaken entirely at its cost and expense.
- 7.4 The arrangement of connectivity can be made by the RPD through a dedicated transmission line upto the Interconnection Point. The entire cost of transmission including cost of construction of line, wheeling charges, SLDC/Scheduling charges, SOC, MOC, maintenance, losses etc. and any other charges from the project up to and including at the interconnection point will be borne by the RPD. The maintenance of Transmission system up to the Inter-connection Point shall be the responsibility of the RPD, to be undertaken entirely at its cost and expense. All expenses including wheeling charges and losses in relation to the transmission and distribution beyond the Metering Point shall be borne by the Buying Entities. Arrangements shall be put in place prior to commissioning of project as regards the methodology for billing these expenses directly to the Buying Entities.
- 7.5 The transmission connectivity to the RPD may be provided by the CTU/STU, as the case may be, prior to commissioning of the project on the request of the RPD, to

facilitate testing and allow flow of infirm power generated into the grid to avoid wastage of power.

- 7.6 Metering arrangement of each project shall have to be adhered to in line with relevant clause of the PPA. Two or more Projects can be connected to a common pooling substation from which the pooled power can be transferred to the CTU substation through a common transmission line subject to the following conditions;
- a) Acceptance of such an arrangement by CTU.
  - b) Generation units injected by each project will be recorded and jointly signed by respective RPDs and copies of the same will be submitted to SECI/CTU for records and further use.
  - c) The energy accounts are divided and clearly demarcated for the power generated at the project and are issued by the STU/SLDC/RLDC concerned.
  - d) In case of Pooling substation, losses in the transmission line between the Pooling substation and the CTU substation, shall be apportioned among the RPDs who share such a Pooling arrangement, based on their monthly generation.
- 7.7 The RPD shall comply with CERC/SERC regulations on Forecasting, Scheduling and Deviation Settlement, as applicable and are responsible for all liabilities related to LTA and Connectivity. The scheduling of the power from the project as per the applicable regulation shall be the responsibility of the RPD and any financial implication on account thereof shall be borne by the RPD. In order to remove potential discrepancies and ambiguities, the RPDs are hereby instructed that, as part of scheduling of power from the Project, they will be required to punch-in their respective schedules and subsequent revisions, by themselves, at the interfaces of all the RLDCs concerned for the corridor of power flow, including the RLDC of the Buying Entity/Discom, as per the Regulations in force, under intimation to SECI. SECI may facilitate in identification of any discrepancy and assist the RPD for its early rectification without any liability on SECI. The RPD shall be solely responsible for discrepancy identification and its rectification to avoid any rejection/less payment of invoices.
- 7.8 Reactive power charges and charges against power drawn from grid as per CERC/SERC regulations, shall be payable by RPD as per provisions of PPA.
- 7.9 The Buying Utility will be responsible for all transmission charges and losses and any other charges as applicable under the respective regulations beyond Delivery Point and up to the drawl point.
- 7.10 The RPD shall be required to follow the detailed Connectivity Procedure as issued by CERC on 15.05.2018 and amended from time to time. The arrangement of connectivity can be made by the RPD through a dedicated transmission line. The entire cost of transmission including cost of construction of line, wheeling charges, SLDC/Scheduling charges, SOC, MOC, maintenance, losses etc. and any other charges from the project up to and including at the interconnection point will be borne by the RPD. The Bidders are free to choose the ISTS substations for Interconnection of the Project to the Grid on a pan-India basis. While doing so, the Bidders shall apply due diligence while choosing

the proposed substation, and may choose their substations from any one of the following options:

- i. Existing substations having available margin as indicated by the respective substation owner.
- ii. Existing substations where augmentation is under process or plans for augmentation have been announced.
- iii. Substations located in the Northern, Western and Southern regions under the updated plan made available by the Minutes of meeting for Northern, Western and Southern Region Standing Committees and as displayed by the CTU on its website, <https://webapps.powergrid.in/ctu/u/Default.aspx>, subject to availability of connectivity.

Bids indicating substations outside the above three choices will be liable for rejection. The RPDs shall be required to apply for connectivity at the identified substations within 30 days of issuance of LOAs, and shall furnish copies of the application as well as granted connectivity, to SECI at the earliest. In case the RPD fails to obtain the Stage-II connectivity at a Substation identified by the Bidder, the same shall be immediately notified by the RPD to SECI. The LTA shall be applied for by the RPD within 60 days of issuance of LOAs.

- 7.11 At least 30 days prior to the proposed commissioning date, the RPD shall be required to submit the connectivity letter from Central Transmission Utility (CTU), confirming technical feasibility of connectivity of the plant to the ISTS substation. LTA shall be required to be submitted by the RPD prior to commissioning of the Project.
- 7.12 Government of India from time to time issues order for waiver of inter-state transmission system (ISTS) charges and losses on transmission of wind/solar power till a certain date. In case the commissioning of the Project gets delayed beyond the applicable date of ISTS waiver, arising out of any reasons whatsoever, SECI shall bear no liability with respect to transmission charges and losses levied, if any. Further, in case SCD of the Project is prior to the above deadline of waiver of ISTS charges and losses, and commissioning of the Project is delayed beyond the above date for the reasons attributable to the RPD, the applicable transmission charges and losses shall be borne by the RPD.
- 7.13 If for any RE source utilized by the RPD which is not eligible for applicable waiver of ISTS-charges and losses, applicable ISTS charges and losses levied for such RE component and its corresponding capacity shall be borne by the RPD. It is however, clarified that ISTS charges and losses corresponding to the energy injected from the Thermal Power component of the Project, shall be borne by the Buying Entity, beyond the Delivery Point(s) and upto the drawl point(s). Further, energy injected from the

thermal project component, if any, shall be subject to applicable regulations with respect to Deviation Settlement Mechanism (DSM).

## 8. **POWER SUPPLY BY RTC POWER DEVELOPER**

### 8.1 **Criteria for Power Supply**

The RPD shall be obliged to make the plant available round the clock basis for the full capacity for scheduling of power by the Buying utility.

- a. The procurement shall be in power (MW) terms. The RPD shall install, operate and maintain the Project such that the Availability of the Contracted Capacity of the Project is at least **80% (eighty per cent)** thereof during each year of the Term of the Project (“Normative Availability”).
- b. Unless otherwise notified by the RPD, the declared Availability shall be deemed to be 100% (one hundred per cent) thereof at all times. The RPD shall confirm the Availability from the Project no later than 48 (forty-eight) hours prior to its occurrence.
- c. The Buying Utility shall, in accordance with Applicable Laws and Regulations thereunder, issue instructions to the RPD through SECI for production of electricity and despatch thereof to the Grid during such period and in such volume as it may specify in its instructions. Provided that the Utility shall not as for despatch in excess of the declared Availability by the RPD, unless mutually agreed between the RPD and the Utility.
- d. Pursuant to the provisions of Clause iii above, the RPD shall plan the despatch of electricity and convey its availability for scheduling thereof by the SLDC or RLDC, as the case may be, and shall supply electricity in accordance with the provisions of the Grid Code and the Electricity Act, 2003.
- e. It is mandated to make available the plant to the buying utility on a Round-the-Clock basis. The generated energy shall be dispatched through scheduling of power by the buying utility.
- f. The renewable energy component (including Energy Storage System (ESS) component charged with RE sources) bought under this RfS shall be eligible for RPO compliance. The apportionment of RPO between solar & non-solar shall be on the lines of principle adopted in case of hybrid plants.

### 8.2 **Shortfall in Power Supply**

Subsequent to commissioning of the Project, if for any Contract Year, in case the RPD supplies energy less than that corresponding to 80% availability on annual basis, for reasons attributable to the RPD, such shortfall in performance shall make the RPD liable to pay the compensation provided in the PSA (Power Sale Agreement) as payable by SECI to Buying Utility(ies)/ Discoms and shall duly pay such compensation to SECI to

enable SECI to remit the amount to Buying Utility(ies)/ Discoms. This compensation shall be applied to the amount of shortfall in generation during the Contract Year.

The amount of compensation shall be be 25% (twenty-five per cent) of the cost of this shortfall in energy terms, calculated at PPA tariff.

**Further, compensation shall also be levied on the RPD for any shortfall in supply of energy from RE sources below the mandatory quantum of 51% of the total energy supplied in a contract year. The compensation levied on the RPD corresponding to this shortfall in RE shall be equal to 25% of PPA tariff.**

In cases having both shortfall in annual availability below 80% and shortfall in supply of power from RE sources below 51% of the total power, the maximum of two compensations shall be applicable.

Shortfall in generation and associated compensation to be levied on the RPD shall be calculated as per the actual generation data from the Project, and methodology for the same will be provided during the project implementation period.

The reference to the compensation for shortfall to enable SECI to remit the amount to buying utility(ies) and the amount being equal to the compensation payable by the buying utility(ies) for not meeting RPO is only a measure of damage. It shall not be construed that the compensation is payable by RPD only if the buying utility(ies) are required to pay compensation for such not meeting of RPO or that the buying utility(ies) or the RPD shall be required to prove or establish such payment of compensation for not meeting the RPO.

RPD shall agree that the methodology specified herein above for calculation of liquidated damages payable by the RPD for shortfall in generation is a genuine and accurate pre-estimation of the actual loss that will be suffered by SECI. RPD shall further acknowledge that a breach of any of the obligations contained herein result in injuries and that the amount of the liquidated damages or the method of calculating the liquidated damages specified in this document is a genuine and reasonable pre-estimate of the damages that may be suffered by the SECI in each case specified under the PPA.

However, this compensation shall not be applicable in events of Force Majeure identified under the PPA with SECI, affecting supply of power by the RPD.

### 8.3 **Excess Generation**

In order to allow optimization of operation of RE and Thermal Power Generating Systems, the RPD is allowed to supply power in excess of offtake by SECI/Discom, to any third party or power exchange without requiring any NOC from SECI/Discom. However, it may be noted that at any instance of energy supply from the Project, priority shall be accorded to meet the energy requirements as per PPA, before selling any quantum of energy in the open market. The RPD may repower the Project at any stage, if required in order to meet the generation or availability requirement of this Project.

In case at any point of time, the peak of capacity reached is higher than the rated capacity and causes disturbance in the system at the point where power is injected, the RPD will have to forego the excess generation and reduce the output to the rated capacity to ensure compliance with grid requirement.

#### 8.4 **Offtake Constraints due to Grid Unavailability & Backdown**

- a. **Compensation in offtake constraint due to Grid Unavailability:** During the operation of the project, there can be some periods where the project can generate power but due to temporary transmission unavailability, the power is not evacuated, for reasons not attributable to the Developer. In such cases the generation compensation shall be addressed by SECI in following manner:

<b>Duration of Grid unavailability</b>	<b>Provision for Generation Compensation</b>
Grid unavailability beyond 175 hours in a contract year, as defined in the PPA	<p><b><i>Generation Compensation = Generation Loss × Composite Fixed Charges</i></b>  <b><i>Generation Loss = [(Average Generation per hour during the contract year) × (number of hours of grid unavailability during the contract year)]</i></b></p> <p>Where, Average Generation per hour during the contract year (kWh) = Total generation in the contract year (kWh) ÷ Total hours of generation in the contract year Contract Year, shall be as defined in PPA.</p>

- b. **Offtake Constraints due to Backdown:** The RPD and Buying Entity shall follow the forecasting and scheduling process as per the regulations in this regard by the CERC. In case such eventuality of Backdown arises, including non-dispatch of power due to non-compliance with “Order No. 23/22/2019-R&R dated 28.06.2019 of Ministry of Power regarding Opening and maintaining of adequate Letter of Credit (LC) as Payment Security Mechanism under Power Purchase Agreements by Distribution Licensees” and any clarifications or amendment thereto, except for the cases where the Backdown is on account of events like consideration of grid security or safety of any equipment or personnel or other such conditions, the RPD shall be eligible for a Minimum Generation Compensation, from the Procurer, in the manner detailed below.

<b>Duration of Backdown</b>	<b>Provision for Generation Compensation</b>
Hours of Backdown, during a monthly billing cycle.	<p><b><i>Generation Compensation =</i></b>  <b><i>Generation Loss × Composite Fixed Charges</i></b></p> <p><b><i>Generation Loss = (Backed down capacity in MW × corresponding time of backdown in hours × 1000)</i></b></p>

The Generation Compensation is to be paid as part of the energy bill for the successive month after receipt of Regional Energy Accounts (REA)/SEA/JMR. No Trading Margin shall be applicable on this Generation Compensation provided under Clause 8.4.b. above. No back-down/curtailment is to be ordered without giving formal/written instruction for the same.

**Note:** Notwithstanding anything mentioned above, the provisions of Clause 8.4 of the RfS shall be applicable subject to the acceptance of the same by the respective Buying Utility in the Power Sale Agreement.

9. **CLEARANCES REQUIRED FROM THE STATE GOVERNMENT AND OTHER LOCAL BODIES**

9.1 The RPDs are required to obtain necessary clearances and permits as required for setting up the RE Power Projects complemented with Thermal Power Projects, including but not limited to the following:

- a. No Objection (NOC)/Environmental clearance (if applicable) for the Project.
- b. Forest Clearance (if applicable) for the land for the Project.
- c. Approval for Water from the concerned authority (if applicable) required for the Project.
- d. In case of Projects being set up in the States of Gujarat & Rajasthan, the RPD shall abide by MNRE's Guidelines on "Retrofitting of transmission lines and wind turbines to avoid bird collision in Great Indian Bustard (GIB) habitats of Rajasthan & Gujarat", vide OM No. 238/2/2019-Wind dated 22nd Feb 2019, and subsequent amendments and clarifications thereof.
- e. Any other clearances as may be legally required, in order to establish and operate the Project.
- f. No objection certificate (NOC) from Ministry of Defence (if applicable).

The above clearances, as applicable for the Project, shall be required to be submitted to SECI prior to commissioning of the Project. In case of any of the clearances as indicated above being not applicable for the said Project, the RPD shall submit an undertaking in this regard, and it shall be deemed that the RPD has obtain all the necessary clearances for establishing and operating the Project. Any consequences contrary to the above shall be the responsibility of the RPD.

Note: The RPD shall apply for all the necessary approvals, permits and clearances not more than 90 days from the issuance of LOA, which shall be complete in all respects, incorporating the clarifications/changes as required by the concerned authorities. The above timeline shall be adhered to, in order to examine cases where the RPD faces delay in grant of the necessary approvals and permits, for a period substantially greater than the standard period of grant of approval by the respective organizations.

10. **EARNEST MONEY DEPOSIT (EMD)**

10.1 Earnest Money Deposit (EMD) of **INR 5 Lakh/ MW per Project** in the form of Bank Guarantee according to Format 7.3A and valid for 09 months from the last date of bid submission, shall be submitted by the Bidder along with their bid, failing which the bid shall be summarily rejected. The Bank Guarantees towards EMD have to be issued in the name of the Bidding Company/ Lead Member of Bidding Consortium. In the event of encashment of EMD, the encashed amount shall include all applicable taxes.

10.2 The Bidder shall furnish the Bank Guarantees towards EMD from any of the Scheduled Commercial Banks as listed on the website of Reserve Bank of India (RBI) and amended as on the date of issuance of bank guarantee. Bank Guarantee issued by foreign branch of a Scheduled Commercial Bank is to be endorsed by the Indian branch of the same bank or State Bank of India (SBI).

The EMD shall be valid as per the timelines stipulated above. However, shortfall in the EMD validity, if any, up to a period of seven (7) days shall be acceptable. Further, an additional shortfall only in the following cases shall be acceptable: If bidder has submitted the EMD with validity as per original bid submission date or as per any revised submission date and if the deadline for submission of bids has been extended further, the Bid Guarantee shall be acceptable provided, the EMD is valid for more than two months from the actual date of bid submission and the Bidder submits the EMD extension for the requisite period within seven days from the date of actual bid submission, if required.

10.3 SECI has agreed to accept the EMD in the form of an unconditional and irrevocable Bank Guarantee instead of the cash deposit with the clear position intimated to the bidder that the EMD Bank Guarantee shall be encashable for being appropriated by SECI in terms of the guarantee as in the case of appropriation of the cash deposit lying with SECI.

#### 11. **PERFORMANCE BANK GUARANTEE (PBG)**

11.1 Bidders selected by SECI based on this RfS shall submit Performance Guarantee for a value @ **INR 10 Lakh/ MW/Project** within 70 days of issuance of Letter of Award (LoA) or before signing of PPA, whichever is earlier. It may be noted that successful Bidders shall submit the Performance Guarantee according to the Format 7.3B with a validity period commencing from Effective Date of the PPA and upto (& including) the date as on 9 months after the Scheduled Commissioning Date of the Project. On receipt and after successful verification of the total Performance Bank Guarantee in the acceptable form, the BG submitted towards EMD shall be returned by SECI to the successful Bidder. Non-submission of PBG within the above mentioned timelines shall be treated as follows:

a. Delay upto 1 month from due date of submission of PBG: Delay charges @1% of the PBG amount per month +18% GST levied on per day basis shall be paid by the RPD to SECI in addition to the PBG amount.

In case of delay in making full payment of above delay charges, the amount paid, if any until the above deadline, along with interest, shall be first reduced from the total amount due towards the delay charges and interest amount (i.e. rate of interest as stated below). Further, balance amount to be paid shall attract Interest rate @ one year SBI MCLR rate /annum +18% GST on pro-rata basis.

b. Delay beyond 1 month from the due date of submission of PBG: The BG against EMD submitted by the RPD shall be encashed by SECI and the Project shall stand terminated.

For the purpose of calculation of the above delay charges, 'month' shall be considered as a period of 30 days.

11.2 All Performance Bank Guarantees (PBGs) shall be submitted separately for each Project. Note: The PBGs are required to be submitted in the name of the entity signing the PPA. In case of PPA being eventually signed with the SPV incorporated/utilized by

the successful bidder, the PBG may be submitted in the name of the successful bidder within the above prescribed deadline, if the bidder chooses to do so, and the same shall be replaced by the PBG issued in the name of the SPV, prior to signing of PPA.

11.3 The RPD shall furnish the PBG from any of the Scheduled Commercial Banks as listed on the website of Reserve Bank of India (RBI) and amended as on the date of issuance of bank guarantee. Bank Guarantee issued by foreign branch of a Scheduled Commercial Bank is to be endorsed by the Indian branch of the same bank or State Bank of India (SBI). In case of the Project being implemented through an SPV incorporated by the successful bidder, the PBG shall be furnished in the name of the SPV, except for the case as indicated in Section-IV, Clause C.1 (b) of the RfS.

11.4 The format of the Bank Guarantees prescribed in the Formats 7.3 A (EMD) and 7.3 B (PBG) shall be strictly adhered to and any deviation from the above Formats shall result in rejection of the EMD/ PBG and consequently, the bid. In case of deviations in the formats of the Bank Guarantees, the corresponding PPA shall not be signed.

SECI has agreed to accept the PBG in the form of an unconditional and irrevocable Bank Guarantee instead of the cash deposit with the clear position intimated to the bidder that the PBG shall be encashable for being appropriated by SECI in terms of the guarantee as in the case of appropriation of the cash deposit lying with SECI.

11.5 The selected Bidder for the Project selected based on this RfS is required to sign PPA with SECI within 90 Days after the issue of LoA. In case, SECI offers to execute the PPA with the Selected Bidder and if the Selected Bidder does not submit the requisite documents as per Clause No. 14, Section-III, Instructions to Bidders (ITB) of RfS documents or does not meet eligibility criteria upon submission of documents or does not execute the PPA within the stipulated time period, then the Bank Guarantee equivalent to the amount of the EMD shall be encashed by SECI from the Bank Guarantee available with SECI (i.e. EMD or PBG) as liquidated damages not amounting to penalty, the selected Project shall stand cancelled and the selected Bidder expressly waives off its rights and objections, if any, in that respect.

11.6 The Bank Guarantees have to be executed on non-judicial stamp paper of appropriate value as per Stamp Act relevant to the place of execution.

11.7 All expenditure towards execution of Bank Guarantees such as stamp duty etc. shall be borne by the Bidders/RPDs. Any Bank Guarantee or amendment to be submitted as part of the bidding process / contract execution, shall be effective only when the BG issuance message is transmitted by the issuing bank through SFMS to IDFC First Bank IFSC: IDFB0020101, Client Name: Solar Energy Corporation of India Ltd and a confirmation in this regard is received by SECI". Message Type: IFN760COV is to be used by the issuing bank.

11.8 In order to facilitate the Bidders to submit the Bank Guarantee as per the prescribed format and in line with the requirements, checklist at Annexure-B has been attached. Bidders are advised to take note of the above checklist while submitting the Bank Guarantees.

11.9 After the bidding process is over, SECI shall release the Bank Guarantees towards EMD of the unsuccessful Bidders within 15 days after the completion of e-Reverse Auction. The PBG of RPDs shall be returned to them, immediately after successful commissioning of their projects as per Terms of PPA, after taking into account any liquidated damages due to delays in commissioning as per Clause No. 16, Section-III, Instructions to Bidders (ITB) of RfS.

12. **SUCCESS CHARGES & PAYMENT SECURITY DEPOSIT**

The Selected Bidder shall have to pay INR 1.00 Lakh/ MW/ Project + 18% GST to SECI towards administrative overheads, coordination with State Authorities and others, DISCOM/ STU/ CTU, pre-commissioning and commissioning expense. The payment has to be made by the RPD in the form of DD/ Pay Order/ NEFT/ RTGS within 30 days of issuance of LoA. Any delay in depositing the said amount to SECI as mentioned above within the stipulated time shall attract late payment charges @18% per annum+18% GST, levied on per day basis, on the total Success Charges, till (and including) the date of payment of Success Charges, which shall not be later than the date of signing of PPA. PPA shall only be signed after deposit of the Success Charges to SECI. In case of delay in making full payment of above delay charges, the amount paid, if any until the above deadline, along with interest, shall be first reduced from the total amount due towards the delay charges and interest amount (i.e. rate of interest as stated above). Further, balance amount to be paid shall attract Interest rate @ one year SBI MCLR rate /annum on pro-rata basis.

**Payment Security Deposit:** Prior to declaration of commissioning of first part capacity of the Project, the RPD shall furnish a Payment Security Deposit (PSD) @Rs. 5 lakh/MW/Project, to SECI through DD/NEFT/RTGS. This fund shall form part of the Payment Security Fund maintained by SECI for the Projects. Modalities of operationalization of the Payment Security Deposit will be notified by MNRE at appropriate stage, through necessary guidelines/orders.

The above amount shall be credited to SECI pro-rata to the part capacity being commissioned at that stage.

In case the RPD is unable to furnish the above amount prior to commissioning of the corresponding part-capacity, SECI reserves the right to recover the same from the monthly energy payments made to the RPD, along with interest @ SBI 1-year MCLR to be levied from the date of commissioning of the said part-capacity to the date of recovery/due date of payment of invoices.

13. **FORFEITURE OF EMD**

The BG towards EMD shall be encashed by SECI in following cases:

13.1 If the bidder withdraws or varies the bid after due date and time of bid submission and during the validity of bid;

13.2 In case, SECI offers to execute the PPA with the Selected Bidder and if the Selected Bidder does not submit the requisite documents as per Clause No. 14, Section-III, Instructions to Bidders (ITB) of RfS or does not execute the PPA within the stipulated time period;

- 13.3 If after issuance of LoA, it is found that the documents furnished by the bidders as part of response to RfS are misleading or misrepresented in any way;
- 13.4 If the bidder fails to furnish required Performance Bank Guarantee in accordance with Clause No. 11, Section-III, Instructions to Bidders (ITB) of RfS documents;

14. **POWER PURCHASE AGREEMENT (PPA)**

- 14.1 SECI shall enter into Power Purchase Agreement (PPA) with Bidders selected based on this RfS. A copy of standard Power Purchase Agreement to be executed between SECI and the selected RPD will be made available on ISN-ETS Portal <https://www.bharat-electronictender.com> and also in SECI website [www.seci.co.in](http://www.seci.co.in). The PPA shall be signed within 90 (Ninety) days from the date of issue of LoA (*for e.g. If the LoA is dated 20.03.2020, then the last date of signing of PPA shall be 18.06.2020*). PPA will be executed between SECI and selected bidder or its SPV for each Project. The PPA shall be valid for a period of 25 years as per provisions of PPA.

**Note:** PPA will be executed between SECI and the RPD as per the breakup of the cumulative Project capacity awarded to the Bidder. It is reiterated that the Contracted Capacity as per the PPA shall refer to the RE Project. **The RPD shall provide the project breakup for the cumulative capacity quoted, in the Covering Letter (Format 7.1), which can be changed by the RPD subsequent to issuance of LoA upto the date as on 30 days from issuance of LoA. For an individual Project using a combination of wind and solar power generation components, any modification in the rated capacities of Wind and/or Solar components in the Project, as well as the share of energy from RE component and thermal component in the Project, shall be intimated to SECI within 30 days of issuance of LoA. The abovementioned parameters will thereafter remain unchanged.**

However, it may be noted that the Successful Bidder shall be allowed to change the State of the proposed Project locations, prior to achievement of Financial Closure of the Project. Any changes in the location of the Project(s) awarded shall not be permitted subsequent to the above deadline. The PPAs shall be valid for a period of 25 years from the Scheduled Commissioning Date or from the date of full commissioning of the Projects, whichever is earlier.

- 14.2 The Performance Bank Guarantee as per Clause 11 above and Success Charges as per Clause 12 above, shall be submitted by the RPD prior to signing of PPA. Before signing of PPA between SECI and the RPDs, SECI will verify the shareholding of the Project Company along with a copy of complete documentary evidence. If at this stage it is found that the documents furnished by the RPDs are false / misleading or misrepresented in any way, then the provisions contained in this RfS will be applicable.
- 14.3 Successful bidders will have to submit the required documents to SECI within 70 days from the issue of LoA. In case of delay in submission of documents beyond the 70 days as mentioned above, SECI shall not be liable for delay in verification of documents and subsequent delay in signing of PPA.

In extraordinary cases of unavoidable delays on the part of SECI in signing the PPAs, the effective date of PPA may be fixed as 7 days from signing of PSA for total capacity

of respective project. Irrespective of the date of signing of PPA, the Effective Date of the PPA shall be the date as on 90<sup>th</sup> day from the date of issuance of LOA, or the date as on 7 days from the date of signing of corresponding PSA(s), whichever is later.

- 14.4 Back-to-back Power Sale Agreements (PSAs) in respect of all rights and obligation under the PPA between the RPD and SECI, will be executed by SECI with the Buying Entity for sale of solar power to buying entity, with the buying entity assuming all the obligations of SECI under the PPA. SECI's obligation to RPD under the PPA shall also be on the back to back basis as provided in the PPA and the corresponding PSA.
- 14.5 The RPDs will be free to reconfigure and repower the project from time to time during the PPA duration. However, SECI will be obliged to buy power only within the Capacity Utilization Factor (CUF) range laid down in Power Purchase Agreement (PPA) as per guidelines.
- 14.6 Any extension of the PPA period beyond 25 years shall be through mutual agreement between the RPD, Buying Entity and SECI.
- 14.7 Applicable Tariff: The solar, wind and small hydro power generation does not involve any variable cost in terms of recurring fuel cost, except for the annual operation & maintenance cost. Accordingly, the tariffs for solar, wind or small hydro power are not indexed with any prices and are fixed for the PPA period unless there is a pre-defined escalation or de-escalation in such tariffs. However, unlike RE power tariffs, the tariffs for thermal power are indexed with the prices of coal to adjust with the change in prices of fuel. Since the RPD is required to supply power at a composite tariff, the tariff shall be adjusted to cover the possible increase/decrease in coal prices as per index to be notified by the Regulatory Commission.  
In view of the above, the PPA shall be signed on a single, '**composite tariff**' applicable for the Project. The composite tariff shall comprise 'normative Composite Fixed Charges', equal to 70% of the composite tariff, and 'normative Composite Variable Charges', equal to 30% of the composite charges. Thus, the 30% of total quoted tariff shall be indexed with the coal prices as per index to be notified by the CERC and shall be payable accordingly.

15. **FINANCIAL CLOSURE OR PROJECT FINANCING ARRANGEMENTS AND LAND ARRANGEMENTS**

- (i) For a Project size not more than (and including) 500 MW, the Projects shall achieve Financial Closure within 12 (twelve) months from the Effective Date of the PPA, (for e.g. if Effective Date of the PPA is 07.03.2020, then scheduled Financial Closure date shall be 07.03.2021).
- (ii) For a Project size more than 500 MW but not more than (and including) 1000 MW, the Projects shall achieve Financial Closure within 18 (eighteen) months from the Effective Date of the PPA (for e.g. if Effective Date of the PPA is 07.03.2020, then scheduled Financial Closure date shall be 07.09.2021).
- (iii) For a Project size more than 1000 MW, the Projects shall achieve Financial Closure within 24 (twenty-four) months from the Effective Date of the PPA (for e.g. if Effective

Date of the PPA is 07.03.2020, then scheduled Financial Closure date shall be 07.03.2022).

It is presumed that in terms of Clause 13.4 of the Guidelines issued by MNRE, the tariff will be adopted by the Appropriate Commission within 60 days of such submission. However, notwithstanding anything contained in the Guidelines, any delay in adoption of tariff by the Appropriate Commission, beyond 60 (sixty) days, shall entail a corresponding extension in financial closure.

- (iv) At the stage of financial closure, the RPDs shall report 100% tie-up of Financing Arrangements for the Projects. In this regard, the RPD shall submit a certificate/necessary documents from all financing agencies regarding the tie-up of 100% of the funds indicated for the Project, including arrangements of funds in the form of Equity.
- (v) Checklist of documents to be submitted at this stage is provided at Annexure-D of the RfS.
- (vi) In case of default in achieving above condition as may be applicable within the stipulated time, SECI shall be entitled to encash Performance Bank Guarantees and shall remove the Project from the list of the selected Projects, unless the delay is on account of delay in allotment of land by the Government, or on account of factors not owing to any action or inaction on the part of the RPD, or caused due to a Force Majeure as per PPA. An extension can however be considered, on the sole request of RPD, on advance payment of extension charges of INR 1,000/- per day per MW. This extension will not have an impact on the obligation of RPD to achieve commissioning by the Scheduled Commissioning Date of the Project. Subsequent to the completion of deadline for achieving financial closure, SECI shall issue notices to the RPDs who are not meeting the requirements of Financial Closure as per the RfS deadlines. The notice shall provide a period of 7 business days to the respective RPDs to either furnish the necessary documents or make the above mentioned payment of Rs. 1,000/MW/day. In case of nonsubmission of either-the requisite documents or the necessary amount upon expiry of the above mentioned notice period of 7 days-SECI shall encash the PBG of the corresponding RPDs and terminate the PPA for the corresponding Project. The amount of Rs. 1,000/MW/day shall be paid by the RPDs in advance prior to the commencement of the said delay period and shall be calculated based on the period of delay as estimated by the RPD. In case of the RPD meeting the requirements of Financial Closure before the last date of such proposed delay period, the remaining amount deposited by the RPD shall be returned by SECI. Interest on account of delay in deposition of the above mentioned charges or on any subsequent extension sought, shall be levied @ one year SBI MCLR rate /annum on pro-rata basis. Any extension charges paid so, shall be returned to the RPD without any interest on achievement of successful commissioning within the Scheduled Commissioning Date, on pro-rata basis, based on the project capacity commissioned as on Scheduled Commissioned Date.
- (vii) The RPD will have to submit the required documents to SECI at least 14 days prior to the scheduled Financial Closure date. In case of delay in submission of documents mentioned above, SECI shall not be liable for delay in verification of documents and subsequent delay in Financial Closure.

(viii) **Land arrangements:**

- a. The RPD shall be entirely responsible for acquiring the land required for setting up the project and SECI shall not in any manner be responsible for the same.
- b. The RPD shall submit documents/Lease Agreement to establish possession/right to use 100% (hundred per cent) of the required land in the name of the RPD for a period not less than the complete term of the PPA, on or before the Scheduled Commissioning Date (SCD). Wherever leasing of private land is involved, the lease should allow transfer of land lease rights to the lenders or Procurer, in case of default of the RPD.
- c. The RPD shall submit a sworn affidavit from the authorized signatory of the RPD listing the details of the land and certifying that total land required for the Project is under clear possession of the RPD.
- d. Commissioning of the Project will not be allowed until the demonstration of land possession by the RPD in terms of Clause 15.(vi) above and Clause 16.a below.

16. **COMMISSIONING**

The Commissioning of the Project shall be carried out by the RPD in line with the procedure given in draft PPA document (Commissioning Procedure at Annexure-A and Appendix-A-1 are for reference). SECI may authorize any individual or committee or organization to witness and validate the commissioning procedure on site. Commissioning certificates shall be issued by the State Nodal Agency or SECI after successful commissioning.

16.a **PART COMMISSIONING**

Part commissioning of the Project shall be accepted by SECI subject to the condition that the minimum capacity for acceptance of first and subsequent part(s) commissioning shall be 100 MW, without prejudice to the imposition of penalty, in terms of the PPA on the part which is not commissioned. In case of part-commissioning of the Project, land corresponding to the part capacity being commissioned, shall be required to be demonstrated by the RPD prior to declaration of commissioning of the said part capacity. For example, a project of 550 MW may be commissioned in 6 parts: First five being part capacities of 100 MW each and the remaining part capacity being 50 MW. However, the SCD will not get altered due to part commissioning. Irrespective of dates of part commissioning or full commissioning, the PPA will remain in force for a period of 25 (twenty-five) years after the SCD.

16.b **COMMISSIONING SCHEDULE AND LIQUIDATED DAMAGES NOT AMOUNTING TO PENALTY FOR DELAY IN COMMISSIONING**

- a. For a Project of size not more than (and including) 500 MW, the Scheduled Commissioning Date (SCD) for commissioning of the full capacity of the Project shall be the date as on **18 months** from the Effective Date of PPA (for e.g. if Effective Date of the PPA is 07.04.2020, then SCD shall be 07.10.2021). For a Project size more than 500 MW but not more than (and including) 1000 MW, the SCD for full capacity of the Project shall be the date as on **24 months** from the Effective Date of

the PPA (for e.g. if Effective Date of the PPA is 07.04.2020, then SCD shall be 07.04.2022). For a Project size more than 1000 MW, SCD for full capacity of the Project shall be the date as on **30 months** from the Effective Date of the PPA (for e.g. if Effective Date of the PPA is 07.04.2020, then SCD shall be 07.10.2022).

- b. The maximum time period allowed for commissioning of the full Project Capacity with applicable liquidated damages, shall be limited to the date as on **6 months** from the SCD or the extended SCD (if applicable).
- c. In case of delay in commissioning of the Project beyond the SCD until the date as per Clause 16.b.b above, as part of the liquidated damages, the total PBG amount for the Project shall be encashed on per-day-basis and proportionate to the balance capacity not commissioned. For example, in case of a Project of 640 MW capacity, if commissioning of 100 MW capacity is delayed by 18 days beyond the SCD, then the liquidated damages shall be:  $PBG \text{ amount} \times (100/640) \times (18/180)$ . For the purpose of calculations of the liquidated damages, 'month' shall be considered consisting of 30 days.
- d. In case Commissioning of the Project is delayed beyond the date as per Clause 16.b.b above, the PPA capacity shall stand reduced/ amended to the Project Capacity commissioned and the PPA for the balance capacity will stand terminated and shall be reduced from the selected Project Capacity.
- e. It is presumed that in terms of Clause 13.4 of the Guidelines issued by MNRE, the tariff will be adopted by the Appropriate Commission within 60 days of such submission. However, notwithstanding anything contained in the Guidelines, any delay in adoption of tariff by the Appropriate Commission, beyond 60 (sixty) days, shall entail a corresponding extension in Scheduled Commissioning Date.

16.c **DELAY IN COMMISSIONING ON ACCOUNT OF DELAY IN LTA OPERATIONALIZATION**

Long Term Access (LTA) shall be required to be submitted by the RPD prior to commissioning of the Project. Subsequent to grant of connectivity, in case there is a delay in grant/operationalization of LTA by the CTU and/or there is a delay in readiness of the ISTS substation at the Delivery Point, including readiness of the power evacuation and transmission infrastructure of the ISTS network until SCD of the Project, and it is established that:

- (i) The RPD has complied with the complete application formalities as per Clause 7.10 above,
- (ii) The RPD has adhered to the applicable Procedure in this regard as notified by the CERC/CTU, and
- (iii) The delay in grant of connectivity/LTA by the CTU and/or delay in readiness of the ISTS substation at the Delivery Point, including readiness of the power evacuation and transmission infrastructure of the ISTS network, is a factor attributable to the CTU/transmission licensee and is beyond the control of the RPD;

The above shall be treated as delays beyond the control of the RPD and SCD for such Projects shall be revised as the date as on 30 days subsequent to the readiness of the

Delivery Point and power evacuation infrastructure and/or operationalization of LTA. Decision on requisite extension on account of the above factor shall be taken by SECI. In case of delay in commissioning of Project due to reasons beyond the reasonable control of the RPD, SECI may extend the SCD after examining the issue on a case-to-case basis.

**It is to be noted that delay in commissioning / operationalization of the thermal project, if any, shall not be admissible among the factors warranting an extension in SCD of the Project.**

16.d **EARLY COMMISSIONING**

The RPD shall be permitted for full commissioning as well as part commissioning of the Project even prior to the SCD. Early commissioning of the Project will be allowed solely at the risk and cost of the HPD, and SECI shall purchase the energy from such early commissioned Project at the PPA tariff, only in case the Discom agrees to purchase power from the Project at an earlier date, and at the PPA tariff plus trading margin.

In case SECI does not agree to purchase such energy, early part/full commissioning of the Project shall still be allowed and the RPD will be free to sell such energy to a third party until SCD or the date of commencement of procurement of power from the Project as notified by SECI, whichever is earlier. In cases of early part/full commissioning, SECI may at its discretion if the Buying entity agrees to purchase the generation at PPA Tariff. However, early part/ full commissioning of the Project and subsequent energy procurement from the same shall be subject to the approval of SECI. Such intimation regarding consent to procure energy from early commissioning shall be provided by SECI within 30 days of receipt of the request being made by the RPD.

17. **COMMERCIAL OPERATION DATE (COD)**

Commercial Operation Date (COD) shall be the date on which the commissioning certificate is issued upon successful commissioning of the full capacity of the Project. The 25-year tenure of PPA shall be as per the provisions of PPA. The following milestone dates may therefore be observed and may fall on separate dates

**(a) Interconnection with Grid:** This may be provided by the STU/ CTU/ Discom on the request of the project developer, even if the project is only partially ready to facilitate testing and allow flow of power generated into the grid to avoid wastage of Power.

**(b) Commissioning of the Project:** This will be on a date, when the project meets the criteria defined for project commissioning. SECI may authorize any individual or committee or organization to declare the project commissioned on site.

Any energy produced and flowing into the grid before COD shall not be at the cost of SECI under this RfS and developers will be free to make short-term sale to any organization or individual. SECI may agree to buy this power as a trader if they find it viable outside this RfS.

18. **MINIMUM PAID UP SHARE CAPITAL TO BE HELD BY PROJECT PROMOTER**

18.1 The Bidder shall provide complete information in their bid in reference to this RfS about the Promoters and upon issuance of LoA, the RPD shall indicate its shareholding in the company indicating the controlling shareholding before signing of PPA with SECI.

18.2 No change in the controlling shareholding of the Bidding Company or Bidding Consortium shall be permitted from the date of submission of response to RfS till the execution of the PPA. However, in case the Project is being set up by a listed Company, this condition will not be applicable.

Following shall not be considered as change in shareholding as mentioned above:

1. Infusion of Fresh equity capital amongst the existing shareholders/promoters at the time of Bid Submission to meet equity requirements.
2. Conversion of CCDs, CCPs etc. already issued to existing shareholders.
3. Death, marriage, Divorce, minor attaining major (any legal heir who was minor at the time of signing of PPA), insolvent, insane of existing shareholders.
4. Transfer of shares within the members of Promoter Group.
5. Transfer of shares to IEPF.
6. Issue of Bonus Shares.

18.3 In case of Project being executed through SPVs: The Selected Bidder executing the project, if being a single company, shall ensure that its shareholding in the SPV/ Project Company executing the PPA, shall not fall below 51% at any time prior to 03 (Three) years from the COD, except with the prior approval of SECI. In the event the selected Bidder is a consortium, then the combined shareholding of the consortium members in the SPV/ Project Company executing the PPA, shall not fall below 51% at any time prior to 03 (Three) years after COD, except with the prior approval of SECI. However, in case the Project is being set up by a listed Company, this condition will not be applicable.

18.4 In case of the selected Bidder itself executing the PPA, it shall ensure that its promoters shall not cede control (Control shall mean the ownership, directly or indirectly, of more than 50% of the voting shares of such Company or right to appoint majority Directors), till 03 (three) years after the COD, except with the prior approval of SECI. However, in case the Project is being set up by a listed Company, this condition will not be applicable.

18.5 In case of companies having multiple promoters (but none of the shareholders having more than 50% of voting rights and paid up share capital), it shall be considered as a company under joint control. In such cases, the shareholding pattern in the company as submitted at the time of bidding, shall be maintained for a period of 03 (three) years after COD.

18.6 Any change in the shareholding after the expiry of 03 years after COD can be undertaken under intimation to SECI. Transfer of controlling shareholding of the company developing the project within the same group of companies will however be allowed after COD with the permission of SECI, subject to the condition that, the management control remains within the same group of companies.

18.7 In the event of Change in Shareholding/ Substitution of Promoters triggered by the Financial Institutions leading to signing of fresh PPA with a new entity, an amount of INR 10 Lakh per Project +18% GST per Transaction as Facilitation Fee (non-refundable) shall be deposited by the developer to SECI.

19. **STRUCTURING OF THE BID SELECTION PROCESS**

19.1 Single stage, Double Envelope bidding followed by e-Reverse Auction has been envisaged under this RfS. Bidders have to submit both Techno-Commercial Bid and Financial Bid (Tariff) together in response to this RfS online. The preparation of bid proposal has to be in the manner described in Clause No. 23, Section-III, Instructions to Bidders (ITB) of RfS.

19.2 Aggregate capacity offered under this RfS is 5000 MW. For each project, minimum Project size shall be 500 MW and maximum size shall be 5000 MW. The Bidders may submit their proposals accordingly. The proposals may be enclosed in the same envelope in the manner described in Clause No. 23, Section-III, Instructions to Bidders (ITB) of RfS.

20. **INSTRUCTIONS TO BIDDERS FOR STRUCTURING OF BID PROPOSALS IN RESPONSE TO RfS**

The bidder including its Parent, Affiliate or Ultimate Parent or any Group Company shall submit single response to RfS.

Detailed Instructions to be followed by the bidders for online submission of response to RfS are stated at Annexure – C.

Submission of bid proposals by Bidders in response to RfS shall be in the manner described below:

1. Covering Letter as per **Format 7.1**
2. In case of a Bidding Consortium, a Power of Attorney in favour of the Lead Member issued by the other Members of the Consortium shall be provided in original as per format attached hereto as **Format 7.2**

In the event any Member of the Bidding Consortium (other than Lead Member) is a foreign entity, it may submit Board Resolutions in place of Power of Attorney for the purpose of fulfilling the requirements under this clause. Provided that such Board Resolutions shall be supported by an unqualified opinion issued by the legal counsel of such foreign entity stating that the Board Resolutions are in compliance with the applicable laws of the respective jurisdictions of the issuing Company and the authorizations granted therein are true and valid.

3. Earnest Money Deposit (EMD) in the form as per **Format 7.3 A**

4. Board Resolutions, as per prescribed formats enclosed as per **Format 7.4** duly certified by the Company Secretary or the Director of the relevant Bidder, as applicable to the Bidder and mentioned hereunder:
  - a. Board Resolution from the Bidding Company or the Lead Member of the Consortium, as the case may be, in favour of the person signing the response to RfS and in the event of selection of the Projects and to sign the PPA with SECI. Board Resolution from each of the Consortium Members in favour of the person signing Consortium Agreement
  - b. Board Resolution from the Bidding Company committing 100% (One Hundred Percent) of the equity requirement for the Project/ Board Resolutions from each of the Consortium Members together in aggregate committing to 100% (One Hundred Percent) of equity requirement for the Project (in case of Bidding Consortium); and
  - c. Board Resolutions from each of the Consortium Members and Lead member contributing such additional amount over and above the percentage limit (specified for the Lead Member and other member in the Consortium Agreement) to the extent becoming necessary towards the total equity share in the Project Company, obligatory on the part of the Consortium pursuant to the terms and conditions in the Consortium Agreement.
5. In case of a Consortium, the Consortium Agreement between the Members in the Consortium as per **Format 7.5** along with Board resolution from each Member of the Consortium for participating in Consortium.
6. Format for Financial Requirements as per **Format 7.6** along with the certificate from practicing Chartered Accountant/ Statutory Auditors showing details of computation of the financial credentials of the Bidder.
7. Undertaking regarding no willful default and no major litigation pending as per **Format 7.7**.
8. A disclosure statement as per **Format 7.8** regarding participation of any related companies in the bidding process.
9. Format for Technical Criteria as per **Format 7.9** (to be filled out separately for each Project) in line with Clause No. 15, Section-III, Instructions to Bidders (ITB) of RfS.
10. Declaration by the Bidding Company/ Lead Member of Bidding Consortium for the Proposed Technology Tie Up as per **Format 7.10** (to be filled out separately for each Project).
11. **Attachments**
  - a. Memorandum of Association, Article of Association needs to be attached along with the bid. The bidder should also highlight the relevant provision which highlights the objects relating to Power/ Energy/ Renewable Energy/ Solar Power plant development.

- In case, there is no mention of the above provisions in the MoA/ AoA of the bidding company, the same has to be amended and submitted prior to signing of PPA, if the bidder is selected as Successful bidder.
  - If the selected bidder wishes to execute the project through a Special Purpose Vehicle (SPV), the MoA/ AoA of the SPV highlighting the relevant provision which highlights the objects relating to Power/ Energy/ Renewable Energy/ Solar Power plant development has to be submitted prior to signing of PPA.
- b. Certificate of Incorporation of Bidding Company/ all member companies of Bidding Consortium.
  - c. A certificate of shareholding of the bidding company, its Parent and Ultimate Parent (if any) duly certified by a practicing Chartered Accountant/ Company Secretary as on a date within 30 days prior to the last date of bid submission. SECI reserves the right to seek additional information relating to shareholding in promoter companies, their parents/ ultimate parents and other group companies to satisfy themselves that RfS conditions have been complied with and the bidder will ensure submission of the same within the required time lines.
  - d. Certified copies of annual audited accounts for the last financial year, i.e. FY 2018-19 or as on the day at least 7 days prior to the bid submission deadline.
  - e. Details of all types of securities/instruments which are pending conversion into equity whether optionally or mandatorily.

## 21. **IMPORTANT NOTES AND INSTRUCTIONS TO BIDDERS**

- 21.1 Wherever information has been sought in specified formats, the Bidders shall fill in the details as per the prescribed formats and shall refrain from any deviations and referring to any other document for providing any information required in the prescribed format.
- 21.2 The Bidders shall be shortlisted based on the declarations made by them in relevant schedules of RfS. The documents submitted online will be verified before signing of PPA in terms of Clause No. 14, Section-III, Instructions to Bidders, ITB of RfS.
- 21.3 If the Bidder/ Member in a Bidding Consortium conceals any material information or makes a wrong statement or misrepresents facts or makes a misleading statement in its response to RfS, in any manner whatsoever, SECI reserves the right to reject such response to RfS and/ or cancel the Letter of Award, if issued, and the Bank Guarantee provided up to that stage shall be encashed. Bidder shall be solely responsible for disqualification based on their declaration in the submission of response to RfS.
- 21.4 If the event specified at 21.3 is discovered after the Effective Date of PPA, consequences specified in PPA shall apply.
- 21.5 Response submitted by the Bidder shall become the property of the SECI and SECI shall have no obligation to return the same to the Bidder. However, the EMDs submitted by

unsuccessful Bidders shall be returned as specified in Clause no. 11, Section-III, Instructions to Bidders (ITB) of RfS.

- 21.6 All documents of the response to RfS (including RfS and subsequent Amendments/ Clarifications/ Addenda, PPA and PSA) submitted online must be digitally signed by the person authorized by the Board as per Format 7.4.
- 21.7 The response to RfS shall be submitted as mentioned in Clause No. 21, Section-III, Instructions to Bidders (ITB) of RfS. No change or supplemental information to a response to RfS will be accepted after the scheduled date and time of submission of response to RfS. However, SECI reserves the right to seek additional information from the Bidders, if found necessary, during the course of evaluation of the response to RfS.
- 21.8 The bidder shall make sure that the correct, valid and operative Pass-Phrase to decrypt the relevant Bid-part is submitted into the 'Time Locked Electronic Key Box (EKB)' after the deadline of Bid submission, and before the commencement of the Online Tender Opening Event (TOE) of Technical bid.
- 21.9 All the information should be submitted in English language only. In case of foreign bidders having documents in other than English language, then the documents shall be translated in English language by certified translator and submitted.
- 21.10 Bidders shall mention the name of the contact person and complete address and contact details of the Bidder in the covering letter.
- 21.11 Response to RfS that are incomplete, which do not substantially meet the requirements prescribed in this RfS, will be liable for rejection by SECI.
- 21.12 Response to RfS not submitted in the specified formats will be liable for rejection by SECI.
- 21.13 Bidders delaying in submission of additional information or clarifications sought will be liable for rejection.
- 21.14 Non-submission and/ or submission of incomplete data/ information required under the provisions of RfS shall not be construed as waiver on the part of SECI of the obligation of the Bidder to furnish the said data/ information unless the waiver is in writing.
- 21.15 The Central Electricity Regulatory Commission shall be the appropriate commission to exercise the regulatory and adjudicatory jurisdiction in regard to matters between RPD and SECI as well as SECI and buying utility(ies). Subject to the above, only New Delhi Courts shall have exclusive jurisdiction in all matters pertaining to this RfS.
- 21.16 All the financial transactions to be made with SECI including success fee, delay charges (except charges for delay in Financial Closure), and any additional charges (if required), shall attract 18% GST on each transaction, irrespective of the same being mentioned in the RfS/PPA.

22. **NON-RESPONSIVE BID**

The electronic response to RfS submitted by the bidder along with the documents submitted **online** to SECI shall be scrutinized to establish “Responsiveness of the bid”. Each bidder’s response to RfS shall be checked for compliance with the submission requirements set forth in this RfS.

Any of the following conditions shall cause the Bid to be “Non-responsive”: -

- (a) Non-submission of the requisite Cost of RfS and/ or Processing Fee as mentioned in the Bid Information Sheet;
- (b) Non-submission or partial submission of EMD in acceptable form along with RfS document.
- (c) Response to RfS not received by the due date and time of bid submission;
- (d) Non-submission of correct, valid and operative Pass-Phrases for both Technical and Financial Bid (Price Bid) Parts;
- (e) Non-submission of Original Bank Guarantee and/or DDs/Pay order against Cost of RfS Document and/or DDs/Pay order against Bid Processing Fee;
- (f) Any indication of tariff in any part of response to the RfS, other than in the financial bid;
- (g) Data filled in the Electronic Form of Financial Bid (Second Envelope), not in line with the instructions mentioned in the same electronic form;
- (h) In case it is found that the Bidding Company including Ultimate Parent Company/ Parent Company/ Affiliate/ Group Companies have submitted more than one response to this RfS, then all these bids submitted shall be treated as non-responsive and rejected.

In any of the above cases, the bid shall not be considered for bid opening and evaluation process. Further, in case of (b), such bidder will be debarred from participating in any of the tenders issued by SECI, for a period of 6 (six) months, starting from the last date of bid submission of this RfS.

23. **METHOD OF SUBMISSION OF RESPONSE TO RfS BY THE BIDDER**

23.a **Documents to be Submitted Offline (in Original)**

The bidder has to submit original of following documents **offline** in a sealed envelope.

- i) DD/Pay order or NEFT/RTGS/ details towards Cost of RfS Document and Bid Processing Fee as mentioned in Bid Information Sheet.
- ii) Bank Guarantee towards EMD as mentioned in the Bid Information Sheet (as per Format 7.3 A). One EMD may be submitted for the cumulative capacity quoted by the bidder, or individual EMDs may be submitted for each Project.
- iii) Sworn Affidavit as per Format 7.11.
- iv) Pass-phrases for Techno-commercial and Financial bids submitted on the ETS portal.

**No documents will be accepted in person, on or before the date of bid submission.**

DDs/Pay Orders against the cost of RfS document and bid processing fee may be submitted in person or via post/courier, subsequent to expiry of bid submission deadline and upto the date as on two (2) working days after the deadline.

**Bank Guarantee against EMD and Sown Affidavit as per Format 7.11 need to be submitted in both online and offline modes.** The Bidders will be required to submit these document, either in person or through post, at the office of SECI until the date as on 2 working days after the closing date of bid submission. The 2-day duration will be counted from the date of bid submission.

**Note:** In all cases, the Bank Guarantee against EMD and DDs against the above fee (if applicable), shall be issued on or before the bid submission deadline. These instruments issued after the expiry of the deadline will be summarily rejected.

For e.g., if the bid submission deadline is 18:00 hrs on 05.01.2020, the above deadline will expire at 18:00 hrs on 07.01.2020. In case of the above deadline being a holiday, the next working day in SECI will be the deadline for submission of Bank Guarantees and/or DD/Pay Order against Cost of RfS Document and Bid Processing Fee.

The bidding envelope shall contain the following sticker:

Selection of RE Power Developers for Supply of 5000 MW of Round-the-Clock (RTC) Power from Grid-Connected Renewable Energy (RE) Power Projects, complemented with Power from Coal based Thermal Power Projects in India under Tariff-based Competitive Bidding (RTC-II)	
Cumulative Capacity of the projects applied for	_____ MW
No. of Projects Bid for	
RfS Reference No.	SECI/C&P/RPD/RTC-II/RfS/5000MW/032020 dated _____
Submitted by	(Enter Full name and address of the Bidder)
Authorized Signatory	(Signature of the Authorized Signatory) (Name of the Authorized Signatory) (Stamp of the Bidder)
Bid Submitted to	<b>GM (C &amp; P)</b> <b>Solar Energy Corporation of India Limited</b> <b>D - 3, 1<sup>st</sup> Floor, A-Wing, Prius Platinum Building,</b> <b>District Centre, Saket, New Delhi - 110 017</b> <b>Tel No. 011-71989256/ 011-71989294</b> <b>Email - <a href="mailto:contracts@seci.co.in">contracts@seci.co.in</a></b>

23.b **Documents to be Submitted Online**

Detailed instructions to be followed by the Bidders for online submission of response to RfS as stated as Annexure-C. The bidders shall strictly follow the instructions mentioned in the electronic form in respective technical bid and financial bid while filling the form

**If the Bidder has submitted bid online and fails to submit the Bank Guarantee for requisite amount and/or DDs/Pay order against cost of RfS Document and bid processing fee offline within 2 working days from last date of bid submission, then the same shall be treated as incomplete bid and Cost of RfS, Processing fee submitted shall be encashed and the EMD(s) shall be returned.**

All documents of the response to RfS submitted online must be digitally signed and uploaded on the website, <https://www.bharat-electronictender.com> which should contain the following:

**I. Technical Bid (First Envelope)**

The Bidder shall upload single technical bid containing the **scanned copies** of following documents duly signed and stamped on each page by the authorized signatory as mentioned below.

- (a) Formats - 7.1, 7.2 (if applicable), 7.3 A, 7.4, 7.5 (if applicable), 7.6, 7.7, 7.8, 7.9, 7.10 and 7.11 as elaborated in Clause No. 20, Section-III, Instructions to Bidders (ITB).
- (b) All attachments elaborated in Clause No. 20, Section-III, Instructions to Bidders (ITB), under the sub-clause 10, Attachments with proper file names.
- (c) All supporting documents regarding meeting the eligibility criteria.

- (d) Scanned Copies of NEFT/RTGS/DD/Pay order details towards Cost of RfS Document as mentioned in Bid Information Sheet.
- (e) Scanned Copies of requisite amount of Bank Guarantee towards EMD as mentioned in the Bid Information Sheet.

**The Bidder will have to fill the Electronic Form provided at the ISN-ETS portal as part of Technical Bid.**

Submission of Pass-phrases: In line with Section III, Clause 21.8, and Annexure-D, the Bidder shall be required to submit the Pass-Phrase to decrypt the relevant Bid-part is submitted into the 'Time Locked Electronic Key Box (EKB)' after the deadline of Bid submission, and before the commencement of the Online Tender Opening Event (TOE) of Technical bid.

## **II. Financial Bid (Second Envelope)**

Bidders shall submit the single Financial Bid containing the scanned copy of following document(s):

- (a) Covering letter as per Format - 7.12 of this RfS document
- (b) Preliminary Estimate of Cost of Solar PV Project as per Format 7.13

**Only single tariff bid for all the Projects applied for, shall have to be filled online in the Electronic Form provided at the ISN-ETS portal. The instructions mentioned in the Financial Bid Electronic Form have to be strictly followed without any deviation, else the bid shall be considered as non-responsive.**

### **Important Note:**

- (a) The Bidders shall not deviate from the naming and the numbering formats of envelopes mentioned above, in any manner.
- (b) In each of the Envelopes, all the documents enclosed shall be indexed and flagged appropriately, with the index list indicating the name of the document against each flag.
- (c) All the Envelopes shall be properly sealed with the signature of the Authorized Signatory running across the sealing of the envelopes.
- (d) In case the Bidder submits the online documents on ISN-ETS within the bid submission deadlines and fails to submit the offline documents in the office of SECI within the bid submission deadlines, the online bid of the Bidder shall not be opened and shall be 'archived' on the ISN-ETS portal. Similarly, bids submitted offline but without any online submission on ISN-ETS portal shall not be opened and the EMD shall be returned to the respective bidder.
- (e) In case of submission of Bank Guarantee against EMD online on or before the bid submission deadline, and non-submission of the hard copy of the Bank**

**Guarantee to SECI within the date as on 2 working days subsequent to bid submission deadline, the respective bidder will be debarred from participating in in any of the tenders issued by SECI, for a period of 6 (six) months, starting from the last date of bid submission of this RfS.**

24. **NOTICE BOARD FOR DISPLAY**

The RPD will have to put a notice board (at least 180cm x 120cm) at its project site main entrance prominently displaying the following message before declaration of COD.

<p>___ MW Grid Connected Solar PV Project Owned and operated by ----- (insert name of the RPD) [Under RfS for Selection of RE Power Developers for Supply of 5000 MW of Round-the-Clock (RTC) Power from Grid-Connected Renewable Energy (RE) Power Projects, complemented with Power from Coal based Thermal Power Projects in India under Tariff-based Competitive Bidding (RTC-II) by Solar Energy Corporation of India Limited]</p>  <p>Village:....., Tehsil....., District....., State.....</p>
---

25. **VALIDITY OF THE RESPONSE TO RfS**

The Bidder shall submit the response to RfS which shall remain valid up to 180 (One Hundred Eighty) days from the last date of submission of response to RfS (“Bid Validity”). SECI reserves the right to reject any response to RfS which does not meet the aforementioned validity requirement.

26. **BID PREPARATION COST**

The Bidder shall be responsible for all the costs associated with the preparation of the response to RfS and participation in discussions and attending pre-bid meeting(s) etc. SECI shall not be responsible in any way for such costs, regardless of the conduct or outcome of the bid process.

27. **CLARIFICATIONS/ PRE-BID MEETING/ ENQUIRIES/ AMENDMENTS**

27.1 Clarifications/ Doubts, if any, on RfS document may be emailed and/ or through ISN-ETS portal. The format for submission of clarifications is available on the portal.

27.2 SECI will make effort to respond to the same in the Pre-Bid Meeting to be held as mentioned in the Bid Information Sheet. A compiled list of such questionnaire and SECI’s response will be uploaded in the ISN-ETS portal <https://www.bharat-electronictender.com>. If necessary, amendments, clarifications, elaborations shall be

issued by SECI which will be notified on SECI/ ISN-ETS web site. No separate reply/ intimation will be given for the above, elsewhere.

27.3 A Pre-Bid Meeting shall be held as mentioned in the Bid Information Sheet (Venue to be notified later on SECI's website).

27.4 Enquiries/ Clarifications may be sought by the Bidder from

<u>Name of the Authorized Person of SECI:</u>	<u>Contact Details:</u>
Shri Sanjay Sharma General Manager (C & P)	Phone (Off):011-71989256 E-mail: <a href="mailto:contracts@seci.co.in">contracts@seci.co.in</a>
Shri Pratik Prasun Manager (C & P)	Phone (Off): 011-71989236 Email: <a href="mailto:pratikpr@seci.co.in">pratikpr@seci.co.in</a>
Shri Biblesh Dy. Manager (C & P)	Phone (Off): 011-71989284 Email: <a href="mailto:biblesh@seci.co.in">biblesh@seci.co.in</a>

28. **RIGHT OF SECI TO REJECT A BID**

SECI reserves the right to reject any or all of the responses to RfS or cancel the RfS or annul the bidding process for any project at any stage without assigning any reasons whatsoever and without thereby any liability. In the event of the tender being cancelled at any stage, the processing fee (excluding GST, if amount credited to SECI's account), without any interests, and EMD submitted by the Bidders shall be returned to the respective Bidders.

29. **POST AWARD COMPLIANCES**

Timely completion of all the milestones i.e. signing of PPA, meeting Financial Closure Requirements/ Conditions Subsequent (PPA), Commissioning etc. will be the sole responsibility of RPD. SECI shall not be liable for issuing any intimations/ reminders to RPDs for timely completion of milestones and/ or submission of compliance documents.

Any checklist shared with RPD by SECI for compliance of above mentioned milestones to be considered for the purpose of facilitation only. Any additional documents required as per the conditions of Guidelines, RfS and PPA must be timely submitted by the RPD.

# **SECTION - IV**

# **QUALIFYING REQUIREMENTS FOR BIDDERS (QR)**

Short listing of Bidders will be based on meeting the following Criteria:

**A. GENERAL ELIGIBILITY CRITERIA**

Bidders participating in the RfS will be required to meet the following eligibility criteria (as applicable).

- A.1 The Bidder shall be a Company as defined.
- A.2 Bidding Consortium with one of the Companies as Lead member. Consortium shortlisted and selected based on this RfS has to necessarily form a Project Company and get it registered under the Companies Act, 2013 prior to signing of PPA, keeping the original shareholding of the Bidding Consortium unchanged. In case applications for multiple Projects have been made by a Consortium, separate Project Companies can be formed for each Project. For the avoidance of doubt, it is hereby clarified that the shareholding pattern of the Project Company shall be the identical to the shareholding pattern of the Consortium as indicated in the Consortium Agreement (Format 7.5).
- A.3 A foreign company can also participate on standalone basis or as a member of consortium at the RfS stage. In case of foreign company participating on standalone basis and its selection as successful Bidder, it has to form a "Special Purpose Vehicle" (SPV), i.e. an Indian Company registered under the Companies Act, 2013 as its subsidiary Company, with atleast 76% shareholding in the SPV, before signing of PPA. In case a Foreign Company is selected as the successful Bidder, it shall comply with all the laws and provisions related to Foreign Direct Investment in India.

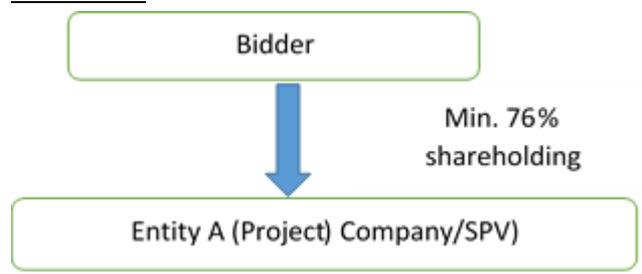

In case the foreign company participating as a member of consortium, the clause no. A.7 mentioned below shall be applicable.

- A.4 Not Used.
- A.5 Limited Liability Partnership (LLPs) are not eligible for participation.
- A.6 A Bidder which has been selected as Successful Bidder based on this RfS can also execute the Project through a Special Purpose Vehicle (SPV) i.e. a Project Company especially incorporated/acquired as a subsidiary Company of the successful bidder for setting up of the Project, with atleast 76% shareholding in the SPV which has to be registered under the Indian Companies Act, 2013, before signing of PPA. Multiple SPVs may also be utilized for executing more than one Project.
- A.7 Any consortium, if selected as Successful Bidder for the purpose of supply of power to SECI, shall incorporate a Project company with equity participation by the Members in line with consortium agreement (to be submitted along with the response to RfS) before signing of PPA with SECI, i.e. the Project Company incorporated shall have the same shareholding pattern as that indicated in the Consortium Agreement given at the time of submission of response to RfS. This shall not change till the signing of PPA and the Controlling Shareholding (held by the Lead Member holding not less than 51% of the voting rights and paid up share capital) shall not change from submission deadline of response to RfS up to three years after the COD of the Project. Transfer of controlling shareholding

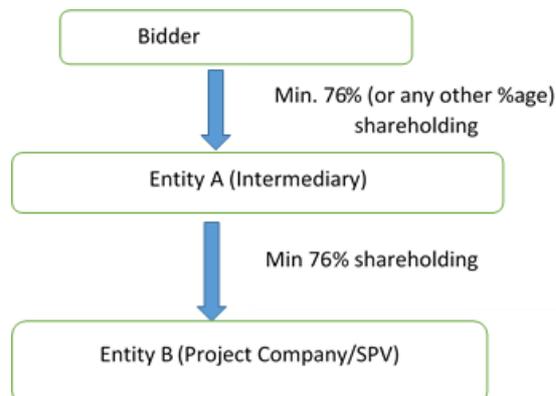

within the same group of companies will however be allowed after COD with the permission of SECI, subject to the condition that, the management control remains within the same group of companies.

- A.8 The Bidder or any of its Affiliates should not be a wilful defaulter to any lender, and that there is no major litigation pending or threatened against the Bidder or any of its Affiliates which are of a nature that could cast a doubt on the ability or the suitability of the Bidder to undertake the Project. The Bidder shall submit an undertaking to this effect.
- A.9 For avoidance of doubt, it is clarified that the fully owned subsidiary Company as mentioned in Clauses A.3 and A.6 above should be an immediate subsidiary of the bidder, without any intermediaries involved. The following illustrations are provided to clarify the same

Scenario 1:

Scenario 2:

**As per provisions of the RfS, only Scenario 1 will be permissible under this RfS.**

## **B. TECHNICAL ELIGIBILITY CRITERIA**

- B.1 Under this RfS, it is proposed to promote only commercially established and operational technologies to minimize the technology risk and to achieve timely commissioning of the Projects. The Bidder may indicate regarding the selection of technology and its details at the time of submission of bids in the prescribed Format 7.9. However, the Successful Bidder has to confirm the selection of technology in line with the above at the time of Financial Closure. The technology proposed at the time of submission of response to RfS can be changed at the time of Financial Closure. The detailed technical parameters, for Solar PV/Wind/Hybrid Power Projects to be selected, shall be specified by MNRE from time to time. The type certified wind turbine models listed in the Revised List of Models and Manufacturers (RLMM) issued by MNRE and updated as on the date of commissioning of the Project, will be allowed for deployment under this

RfS. ALMM and RLMM orders issued by MNRE for Solar and Wind Power Projects, shall also be applicable. Detailed technical parameters for Solar PV Projects to be met by SPDs are at Annexure-A. The Bidders shall strictly comply with the technical parameters detailed in the Annexure-A. Further, the cells and modules used in the Project shall be sourced only from the models and manufacturers included in the “Approved List of Models and Manufacturers” as published by MNRE and updated as on the date of commissioning of the Project.

B.2 The Bidder is required to undertake to furnish evidence of meeting the above criteria in line with provisions of Clause No.15 under the sub title “Financial Closure” in Section-III, Instructions to Bidders (ITB) of RfS. The undertaking shall be submitted as per enclosed Format 7.8.

B.3 The Projects shall also comply with the criteria for power generation detailed in Clause No. 8 in Section-III, Instructions to Bidders (ITB) of RfS.

**B.4 Technical Criteria of Thermal Projects**

- i. Thermal Projects shall include thermal power plants which are already, partly or fully, commissioned before the issuance of this RfS or are under construction at the time of issuance of RfS, but have spare generation capacity that can be made available for long-term supply of RTC Power as envisaged under this RfS.
- ii. The Thermal Power can be based on domestic coal as fuel, or on coal from imported sources. However, whether the fuel is domestic coal or imported coal needs to be clearly stipulated at the time of bid submission, in Format 7.10.
- iii. The ‘**spare capacity**’, referred above, is that capacity of a thermal power generating system that is unencumbered from any power supply commitments or power purchase agreements and is available for augmenting the proposed RE power under this RfS.
- iv. In order to ensure that the ‘spare capacity’ of thermal power has been tied up by the bidders, the bidders have to submit, at the time of bid submission, proof of such tie-up and the availability of spare capacity of thermal power, in the thermal power plant so tied up, corresponding to at least 60% of their offered bid capacity supported by way of sworn affidavit (Format 7.11).
- v. A thermal power generator cannot tie up with more than one bidder, for the same ‘spare capacity’. Only when a bid has been concluded and the said spare thermal power capacity is not part of the successful bid, that such thermal capacity can be tied up for participation in other tenders. However, multiple spare capacities of the same thermal power plant can be tied up with different bidders in the same tender.
- vi. An entity, for the purpose of participation in this RfS, may tie up with multiple ‘spare capacities’ of different thermal power plants, and submit a single bid for the same, under this RfS.

- vii. Notwithstanding anything contained herein, any thermal power generator that has defaulted on any of its contractual obligations with its lenders or is undergoing any CIRP process shall not be eligible for supply of power under this RfS and consequently the bidders shall not be allowed to tie up spare capacity with such thermal power generator.

It is clarified that irrespective of the contractual arrangement between the RE Power Generator and Thermal Power Generator, all the generator related liabilities, under the Guidelines, RfS and the PPA thereunder, shall be of the entity signing the PPA, and recognised as RPD. The RPD can do a back-to-back tie up for supply of Thermal Power generator and don't need to set up a new Thermal Power project under this tender.

The tender doesn't envisage setting up of new Thermal Power Plant but the bidder is expected to tie up the spare capacity as detailed in other sections of RfS. Thus, any milestone or timeline or obligation with respect to setting up of Project relates only with respect to RE portion of the Project.

## C. **FINANCIAL ELIGIBILITY CRITERIA**

### C.1 **Net-worth**

- a. The Net Worth of the Bidder should be equal to or greater than **INR 1.5 Crores per MW** of the quoted capacity, as on the last date of previous Financial Year, i.e. FY 2018-19 or as on the day at least 7 days prior to the bid submission deadline.
- b. The net worth to be considered for the above purpose will be the cumulative net-worth of the Bidding Company or Consortium together with the Net Worth of those Affiliates of the Bidder(s) that undertake to contribute the required equity funding and performance bank guarantees in case the Bidder(s) fail to do so in accordance with the RfS.
- c. Net Worth to be considered for this clause shall be the total Net Worth as calculated in accordance with the Companies Act, 2013 and any further amendments thereto.

### C.2 **Liquidity**

In order to ascertain that the Bidder has sufficient means to manage the fund requirements for the Project, the Bidder shall be required to demonstrate at least one of the following parameters:

- a. A minimum annual turnover of **INR 2.45 Crores/ MW** of the quoted capacity during the previous financial year, 2018-19 or as on the day at least 7 days prior to the bid submission deadline. It is hereby clarified that "Other Income" as indicated in the annual accounts of the Bidder shall not be considered for arriving at the annual turnover.
- b. Internal resource generation capability, in the form of Profit Before Depreciation Interest and Taxes (PBDIT) for a minimum amount of **INR 49 Lakhs/ MW** of the

quoted capacity, as on the last date of previous financial year, 2018-19, or as on the day at least 7 days prior to the bid submission deadline.

- c. In-principle sanction letter from the lending institutions/ banks of the Bidder, committing a Line of Credit for a minimum amount of **INR 61.25 Lakhs/ MW** of the quoted capacity, towards meeting the working capital requirement of the project quoted under this RfS. Such letter can also be obtained by the Affiliate(s) of the Bidder.
- C.3 The Bidder may seek qualification on the basis of financial capability of its Affiliate(s) for the purpose of meeting the qualification requirements as per C.1 and C.2 above. In case of the Bidder being a Bidding Consortium, any Member may seek qualification on the basis of financial capability of its Affiliate(s). In such cases, the Bidder shall be required to submit Board Resolutions from the respective Affiliate(s), undertaking to contribute the required equity funding and Performance Bank Guarantees in case the Bidder(s) fail to do so in accordance with the RfS. In case of non-availability of the Board Resolution as required above, a letter from the CEO/ Managing Director of the respective Affiliate(s), undertaking the above, shall be required to be submitted and the requisite Board Resolution from the Affiliate(s) shall be required to be submitted prior to signing of PPA.
- C.4 For the purposes of meeting financial requirements, only latest unconsolidated audited annual accounts shall be used. However, audited consolidated annual accounts of the Bidder may be used for the purpose of financial requirements provided the Bidder has at least twenty six percent (26%) equity in each Company whose accounts are merged in the audited consolidated account.
- C.5 A Company/ Consortium would be required to submit annual audited accounts for the last financial year, 2018-19, or as on the day at least 7 days prior to the bid submission deadline, along with net worth, annual turnover and PBDIT certificate (as applicable) from a practicing Chartered Accountant/ Statutory Auditor to demonstrate fulfillment of the criteria. In case of foreign companies, the Bidders shall be required to submit the annual audited accounts for the last respective financial year as per the general norm in the country where the Bidder or its Affiliate(s) is/ are located, or provisional accounts as on the day at least 7 days prior to the bid submission deadline.

Note: In case of foreign Bidders, in the event the Bidder is unable to furnish the audited annual accounts for the previous financial year as per the prevalent norm in the respective country, the Bidder shall submit the annual audited accounts of the last financial year for which the audited accounts are available. This, however, would be acceptable, subject to the condition that the last date of response to this RfS falls on or within the deadline for completion of audit of annual accounts of companies, as stipulated by the laws/rules of the respective country, and the Bidder shall submit the corresponding documentary evidence agasint the same. In case the annual accounts or provisional accounts as on the day at least 7 days prior to the bid submission deadline, are submitted in a

language other than English, a certified English translation from an approved translator shall be required to be submitted by the Bidder.

- C.6 For meeting the above financial eligibility criteria, if the data is provided by the Bidder in a foreign currency, equivalent Indian Rupees of Net Worth and other financial parameters will be calculated by the Bidder using Reserve Bank of India's reference rates prevailing on the date of closing of the accounts for the respective financial year.
- C.7 In case of any currency for which RBI reference rate is not available, Bidders shall convert such currency into USD as per the exchange rates certified by their banker prevailing on the relevant date and used for such conversion. After such conversion, Bidder shall follow the procedure/ submit document as elaborated in Clause C.6 above.
- C.8 In case the response to RfS is submitted by a Consortium, then the financial requirement (both the Net-Worth and Liquidity requirements) to be met by each Member of the Consortium shall be computed in proportion to the equity commitment made by each of them in the Project Company.

For example, if two companies A and B form a Consortium with equity participation in 70:30 ratio and submit their bid for a capacity of 100MW, then, total Net-Worth to be met by the Consortium is Rs. 1 Crores x 100MW = Rs. 100 Crores. Minimum requirement of Net-Worth to be met by Lead Member A would be minimum Rs. 70 Crores and to be met by Consortium Member B would be Rs. 30 Crores. Similar methodology shall be followed for computation of turnover and other liquidity requirement.

# SECTION - V

# BID EVALUATION AND SELECTION OF PROJECTS

1. **BID EVALUATION**

Bid evaluation will be carried out considering the information furnished by Bidders as per provisions specified in Section-III, Instructions to Bidders (ITB) of this RfS. The detailed evaluation procedure and selection of bidders are described in subsequent clauses in this Section.

2. **TECHNO-COMMERCIAL EVALUATION OF BIDDERS**

2.a **First Envelope (Technical Bid) Evaluation (Step 1)**

2.a.1 The first envelope (Technical Bid submitted online) of only those bidders will be opened by SECI whose required documents as mentioned at Clause No. 23.a, Section-III, Instructions to Bidders (ITB) of this RfS are received at SECI office. Bid opening (online) will be done only after the deadline for submission of Bank Guarantee and/or DDs/Pay order against Cost of RfS document and Bid opening processing fee.

For e.g., if the bid submission deadline is 18:00 hrs on 05.12.2019, the online bid opening will be conducted on 08.12.2019. In case of the above deadline being a holiday, the bids will be opened on the next working day.

2.a.2 Documents (as mentioned in the previous clause) received after the bid submission deadline specified in the Bid Information Sheet shall be rejected and returned unopened, if super-scribed properly with address, to the bidder.

2.a.3 Subject to Clause No. 22, Section-III, Instructions to Bidders (ITB) of this RfS, SECI will examine all the documents submitted by the Bidders and ascertain meeting of eligibility conditions prescribed in the RfS. During the examination of the bids, SECI may seek clarifications/ additional documents to the documents submitted etc. from the Bidders if required to satisfy themselves for meeting the eligibility conditions by the Bidders. Bidders shall be required to respond to any clarifications/ additional documents sought by SECI within 07 (seven) days from the date of such intimation from SECI. All correspondence in this regard shall be made through email/ ISN-ETS portal only. It shall be the responsibility of the Bidder to ensure that the email id of the authorized signatory of the Bidder is functional. The Bidder may provide an additional email id of the authorized signatory in the covering letter. No reminders in this case shall be sent. It shall be the sole responsibility of the Bidders to remove all the discrepancies and furnish additional documents as requested. SECI shall not be responsible for rejection of any bid on account of the above.

2.a.4 The response to RfS submitted by the Bidder shall be scrutinized to establish Techno-Commercial eligibility as per RfS.

2.b **Second Envelope (Financial Bid) Evaluation (Step 2)**

In this step evaluations of Techno-Commercially Qualified Bids shall be done based on the "First Round Tariff", which shall be the First year Composite tariff as quoted by the Electronic Form of Financial Bid, in line with Clause 14.7 of Section III of the RfS. After this step, the shortlisted bidders shall be invited for the Reverse Auction. Reverse Auction shall be conducted only on the first year composite tariff as quoted by the Bidders. For the purpose of interpretation, any reference to "first round tariff" in this section will refer to the "first year composite tariff".

- 2.b.1 Second Envelope (containing First Round Tariff) of only those bidders shall be opened whose technical bids are found to be qualified.
- 2.b.2 The Bidder including its Parent, Affiliate or Ultimate Parent or any Group Company will have to submit a single bid (single application) quoting a single “First Round Tariff” per kWh for all the Projects applied for. The tariff has to be quoted up to two places of decimal only. If it is quoted with more than two digits after decimal, it shall be ignored after first two decimal places. (For e.g. if the quoted tariff is INR 2.337, then it shall be considered as INR 2.33).
- 2.b.4 In this step, evaluation will be carried out for the cumulative quoted capacity based on first year tariff quoted by Bidders.
- 2.b.5 On completion of Techno-Commercial bid evaluation, if it is found that the total aggregate capacity of the Solar PV Projects short-listed is lower than or equal to 5000 MW, then the procedure as elaborated in Clause No. 3.2 of this Section-V shall be followed.
- 2.b.6 On completion of Techno-Commercial bid evaluation, if it is found that only one or two Bidder(s) is/are eligible for the next stage, opening of the financial bid of the Bidder(s) will be at the discretion of SECI. Thereafter, SECI will take appropriate action as deemed fit.
- 2.b.10 If the first-round tariff quoted is same for two or more Bidders, then all the Bidders with same tariff shall be considered of equal rank/ standing in the order.
- 2.b.11 All Bidders with same tariff shall be eligible for reverse auction round (provided their rank is equal to or less than n<sup>th</sup> Bidder as mentioned in Clause No. 3.2 of this Section-V).
- 2.b.12 Ranking of bidders after Financial Bid Evaluation: Following illustrates an example of ranking of bidders after financial bid opening and evaluation

<b>Bidder</b>	<b>Submitted Financial Bid</b>	<b>Ranking</b>
B1	₹ 2.10 (Tariff in ₹/ kWh)	L1
B2	₹ 2.20 (Tariff in ₹/ kWh)	L2
B3	₹ 2.30 (Tariff in ₹/ kWh)	L3
B4	₹ 2.30 (Tariff in ₹/ kWh)	L3
B5	₹ 2.43 (Tariff in ₹/ kWh)	L4
B6	₹ 2.60 (Tariff in ₹/ kWh)	L5
B7	₹ 2.65 (Tariff in ₹/ kWh)	L6
B8	₹ 2.69 (Tariff in ₹/ kWh)	L7
B9	₹ 2.70 (Tariff in ₹/ kWh)	L8

3. **REVERSE AUCTION (STEP - 3)**

3.1 The reverse auction for each project shall be conducted through <https://www.bharat-electronictender.com> portal on the day as intimated by SECI to the eligible bidders.

3.2 **The total Project capacity eligible for award** shall be decided as mentioned below:

Assuming

**T** = Total Techno-Commercially Qualified Bidders, and

**S<sub>k</sub>** = Cumulative capacity till the 'k'th serial number bidder (**not the 'k'th rank bidder**) after ranking is done in ascending order from L1 onwards

S <sub>E</sub> = (Eligible capacity for award)	(i) In case S <sub>T</sub> ≤ 5000 MW, S <sub>E</sub> = 0.8 X S <sub>T</sub>  (ii) In case S <sub>T</sub> > 5000 MW, S <sub>E</sub> = 0.8 X S <sub>T</sub> subject to maximum eligible capacity being 5000 MW.
---	---

**Total eligible Bidders for e-Reverse Auction** shall be decided as mentioned below:

1. In case (0.8X S<sub>T</sub>) ≤ 5000 MW: all the techno-commercially qualified bidders whose financial bids are in line with the RfS provisions, will be shortlisted for e-RA.

Accordingly, the no. of bidders shortlisted for e-RA, i.e., "n" = "T".

2. In case (0.8X S<sub>T</sub>) >5000 MW: The highest ranked bidder (H1 bidder) shall be eliminated at this stage, and the remaining techno-commercially qualified bidders whose financial bids are in line with the RfS provisions, will be shortlisted for e-RA.

Accordingly, the no. of bidders shortlisted for e-RA, i.e., "n" = "T"-1.

**Note:**

(a) In case more than one bidder is ranked as "H1" bidder, i.e. such bidders are at the same tariff, all such bidders will be eliminated at this stage.

(b) The above elimination will take place subject to the condition that the total bid capacity after such elimination remains more than 5000 MW and the minimum number of shortlisted bidders for e-RA, after elimination at this stage, remains 3. In the contradictory scenario, no elimination will take place at this stage.

**For e.g. (Shortlisting of Bidders for reverse auction):**

Total bid capacity of techno-commercially shortlisted bidders = S<sub>T</sub>=6770 MW

Sl. No.	Techno commercially qualified Bidder	Rank	Capacity (MW)	T	S <sub>E</sub>	S <sub>T</sub>	n	Shortlisted Bidders
1	B3	L1	1250	10	5000 MW	6770 MW	9*	B3
2	B5	L2	500					B5
3	B1	L3	900					B1
4	B4	L3	500					B4
5	B2	L4	570					B2
6	B6	L5	750					B6

7	B7	L6	500					B7
8	B8	L7	550					B8
9	B9	L8	650					B9
10	B10	L9	600					

\*n = 10-1 =9 as per above formula.

Upon shortlisting of bidders for e-RA, if it is found that more than the eligible bidders shortlisted for e-RA have quoted the same tariff, ranking of bidders to be indicated in the e-RA window shall be decided based on draw of lots.

- 3.3 At least one week prior to reverse auction, an advance intimation regarding the date and time of the reverse auction will be sent by e-mail to all the bidders whose technical bids have been opened and found to be qualified. However, from this advance intimation it shall not be construed by the bidders that they have been shortlisted for Reverse Auction. Further at least two hours before the schedule start time of Reverse Auction, a system generated email for invitation for Reverse Auction will be sent to all those bidders only who have been shortlisted based on the criteria mentioned at Clause No. 3.2 above.
- 3.4 Shortlisted bidders for Reverse Auction will be able to login into the ISN-ETS portal of reverse auction 15 minutes before the start time of reverse auction.
- 3.4.1 During the 15 minutes prior to start of reverse auction process, the respective tariff of the bidder shall be displayed on its window.
- 3.4.2 The minimum decrement value for tariff shall be INR 0.01 per kWh. The Bidder can mention its revised discounted tariff which has to be at least 01 (One) Paisa less than its current tariff.
- 3.4.3 Bidders can only quote any value lower than their previous quoted tariff taking into consideration the minimum decrement value mentioned in the previous clause. However, at any stage, increase in tariff will not be permissible. Bidders can improve their ranking by quoting the tariff lower than their last quoted tariff.
- 3.4.4 During reverse auction, the Bidder shall not have the option of changing the total project capacity while quoting tariff during reverse auction.
- 3.4.5 In the bidder's bidding window, the following information can be viewed by the bidder:
- Its tariff as the initial start price and there after last quoted tariff along with the project capacity for which the Bidder is qualified.
  - The list of all the Bidders with their following details: Pseudo Identity, last quoted tariff and project capacity
- 3.4.6 The initial auction period will be of 30 (thirty) minutes with a provision of auto extension by 08 (eight) minutes from the scheduled/ extended closing time. Such auto extension shall be effected if by way of reduction in tariff, a Bidder causes a change in its zonal placement at that instant. The 'zones' are as follows:

- (a) Green Zone: This zone consists of the Bidders who may be allocated their full quoted Project capacity if the auction is closed at that instance.
- (b) Yellow Zone: This zone consists of the Bidders who may be allocated a part of their full quoted Project capacity if the auction is closed at that instance.
- (c) Red Zone: This zone consists of the Bidders who will not be awarded their quoted Project capacity if the auction is closed at that instance.

If no such change as described above is effected during the last 5 minutes of auction period or extended auction period, then the reverse auction process will automatically get closed.

4. **SELECTION OF SUCCESSFUL BIDDERS**

- i. The bidders shall be selected in the ascending order with lowest quoted tariff (being L1) and so on till the total capacity ( $S_E$ ) is exhausted.
- ii. The lowest quoting Bidder will be allotted its qualified project capacity and then, next higher Bidder will be allotted its qualified project capacity and so on, till the total project capacity (i.e.  $S_E$ ) is exhausted.
- iii. Note: The allocation of cumulative project capacity shall be closed at 5000 MW or  $S_E$ . However, in no case, shall the capacity of a single Project selected under this RfS, be less than 500 MW. In case of the last selected Bidder, if the balance project capacity is less than the total capacity mentioned by the Bidder but greater than 500 MW, then the Project with highest preference (as mentioned in the Covering Letter) shall be awarded to the Bidder, subject to the maximum cumulative capacity not exceeding 5000 MW or  $S_E$ , being awarded under the RfS.

In case the partial capacity offered to the last Bidder after completion of the e-RA is lower than 50% of the total quoted capacity by such Bidder, the Bidder shall have an option to refuse such offered partial capacity, and the BG against EMD submitted by such Bidder shall be returned along with those of the unsuccessful Bidders.

In case the partial capacity offered to the last Bidder after completion of the e-RA is greater than or equal to 50% of the total quoted capacity by such Bidder, it shall be mandatory for the last Bidder to accept the partial capacity offered against its quoted capacity, subject to the total cumulative capacity awarded after e-RA to the successful Bidders not exceeding 5000 MW or  $S_E$ . In case the last Bidder refuses to accept such partial capacity offered by SECI, the Bank Guarantee against EMD submitted by such Bidder shall be encashed by SECI.

- iv. In case of a tie among two or more Bidders (i.e. their last quoted tariff being the same at the end of the e-RA), they will be considered in the chronological order of their last bid with preference to that Bidder who has quoted his last bid earlier than others

In the above case, if the time of quote also become exactly same among the Bidders at a tie, then the ranking among these Bidders shall be done as follows:

**Step 1:** Lowest rank will be given to the Bidder who has quoted the lowest in Financial Bid (Electronic Form) and so on. If there is also a tie among any of these bidders, then the following step (Step 2) will be followed.

**Step 2:** Ranking will be done based on draw of lots

5. **ISSUANCE OF LoAs:**

At the end of selection process, a Letter of Award (LoA) will be issued to the successful Bidders for each Project. In case of a Consortium being selected as the successful Bidder, the LoA shall be issued to the Lead Member of the Consortium.

In case SECI is unable to find buyers/off-takers for the tariffs as discovered after the bidding process, SECI reserves the right to annul the bid process without any financial implications to any of the parties concerned.

In all cases, SECI's decision regarding selection of Bidder through Reverse Auction or other- wise based on tariff or annulment of tender process shall be final and binding on all participating bidders.

# **SECTION - VI**

# **OTHER PROVISIONS**

1. **ROLE OF STATE NODAL AGENCIES**

It is envisaged that the State Government shall appoint any Agency as a State Level Agency which will provide necessary support to facilitate the required approvals and sanctions in a time bound manner so as to achieve commissioning of the Projects within the scheduled Timeline. This may include facilitation in the following areas:

- Coordination among various State and Central agencies for speedy implementation of projects
- Support during commissioning of projects and issue of commissioning certificates.

2. **ROLE OF CENTRE TRANSMISSION UTILITY/PGCIL**

It is envisaged that the State Transmission Company/CTU/PGCIL will provide transmission system to facilitate the evacuation of power from the Projects which may include the following:

- i) Upon application of Connectivity as per SERC/CERC Regulations, CTU shall coordinate with the concerned agencies for grant of connectivity and LTA.
- ii) Support during commissioning of projects

# SECTION - VII

# SAMPLE FORMS & FORMATS FOR BID SUBMISSION

## **FORMATS FOR BID SUBMISSION**

The following formats are required to be submitted as part of the RfS. These formats are designed to demonstrate the Bidder's compliance with the Qualification Requirements set forth in Section - IV and other submission requirements specified in the RfS

- i) Format of Covering Letter (Format 7.1)
- ii) Format for Power of Attorney (Format 7.2)
- iii) Format for Earnest Money Deposit (EMD) (Format 7.3 A)
- iv) Format for Performance Bank Guarantee (PBG) (Format 7.3 B)
- v) Format for Board Resolutions (Format 7.4)
- vi) Format for Consortium Agreement (Format 7.5)
- vii) Format for Financial Requirement (Format 7.6)
- viii) Undertaking regarding no willful default and no major litigation pending (Format 7.7)
- ix) Format for Disclosure (Format 7.8)
- x) Format for Technical Criteria (Format 7.9)
- xi) Format for Proposed Technology Tie-up (Format 7.10)
- xii) Sworn Affidavit regarding tie-up with spare capacity of thermal project (Format 7.11)
- xiii) Format for submission of Financial Bid (Format 7.12)
- xiv) Format for Preliminary Estimate of Cost of RE Power Project (Format 7.13)
- xv) Technical Requirements for ISTS Connected Solar PV Projects (Annexure - A)
- xvi) Check List for Bank Guarantees (Annexure-B)
- xvii) Special Instructions to Bidders for e-Tendering and Reverse Auction (Annexure-C)
- xviii) Checklist for Financial Closure (Annexure-D)

**COVERING LETTER**

**(The Covering Letter should be submitted on the Letter Head of the Bidding Company/  
Lead Member of Consortium)**

District Centre, Saket, New Delhi - 110 017

Sub: Response to RfS No. .... dated ..... for Selection of RTC-Power Developers for Supply of 5000 MW of Round-the-Clock (RTC) Power from Grid-Connected Renewable Energy (RE) Power Projects, complemented with Power from Coal based Thermal Power Projects in India under Tariff-based Competitive Bidding (RTC-II)

Dear Sir/ Madam,

We, the undersigned ..... [*insert name of the 'Bidder'*] having read, examined and understood in detail the RfS including Qualification Requirements in particular, terms and conditions of the standard PPA for supply of power for 25 years to SECI, hereby submit our response to RfS.

We confirm that in response to the aforesaid RfS, neither we nor any of our Ultimate Parent Company/ Parent Company/ Affiliate/ Group Company has submitted response to RfS other than this response to RfS, directly or indirectly, in response to the aforesaid RfS (as mentioned in Format 7.7 under Disclosure). We also confirm that we including our Ultimate Parent Company/ Parent Company/ Affiliate/ Group Companies directly or indirectly have not submitted response to RfS for more than cumulative capacity of 5000 MW, including this response to RfS.

We are submitting RfS for the development of following Project(s): -

Capacity (MW)	Project component break-up including ESS and tied up Thermal Capacity (if any) (MW)	Nature of Fuel (Domestic coal / Imported Coal), in case of tie-up with thermal project	Project Location (Village, Tehshil, Dist., State)	Inter-connection Point Details	Proposed CUF	Project Preference*

\*The preferences of the Projects shall be considered only for the last successful bidder whose total quoted capacity is more than the balance capacity. In this case, allocation will be done as described in Section V, Clause 4 (iii).

1. We give our unconditional acceptance to the RfS, dated ..... [Insert date in dd/mm/yyyy], standard PPA and PSA documents attached thereto, issued by SECI. In token of our acceptance to the RfS, PPA and PSA documents along with the amendments and clarifications issued by SECI, the same have been digitally signed by us and enclosed with the response to RfS. We shall ensure that the PPA is executed as per the provisions of the RfS and provisions of PPA and shall be binding on us. Further, we confirm that the Project shall be commissioned within the deadline as per clause No. 16 of ITB of the RfS. We further undertake that we shall demonstrate possession of 100% area of the identified land, within the timelines as per the RfS.

2. Earnest Money Deposit (EMD): - (Please read Clause No. 10, Section-III, ITB carefully before filling)

We have enclosed EMD of INR ..... (Insert Amount), in the form of Bank Guarantee no..... [Insert bank guarantee number] dated ..... [Insert date of bank guarantee] as per Format 7.3A from ..... [Insert name of bank providing bank guarantee] and valid up to.....in terms of Clause No. 10, Section-III, ITB of this RfS. The total capacity of the RE Project offered by us is ..... MW [Insert cumulative capacity proposed].

3. We hereby declare that in the event our Project(s) get selected and we are not able to submit Bank Guarantee of the requisite value(s) towards PBG, Success charge for the selected Projects, within due time as mentioned in Clause Nos. 11 & 12, Section-III, ITB of this RfS on issue of LoA by SECI for the selected Projects and/ or we are not able to sign PPA with SECI within 90 Days of issue of LoA by SECI for the selected Projects, SECI shall have the right to encash the EMD submitted by us and return the balance amount (if any) for the value of EMD pertaining to unsuccessful capacity.

4. We have submitted our response to RfS strictly as per Section - VII (Sample Forms and Formats) of this RfS, without any deviations, conditions and without mentioning any assumptions or notes in the said Formats.

5. Acceptance: -

We hereby unconditionally and irrevocably agree and accept that the decision made by SECI in respect of any matter regarding or arising out of the RfS shall be binding on us. We hereby expressly waive and withdraw any deviations and all claims in respect of this process.

We also unconditionally and irrevocably agree and accept that the decision made by SECI in respect of award of Projects according to our preference order as above and in line with the provisions of the RfS, shall be binding on us.

6. Familiarity with Relevant Indian Laws & Regulations: -

We confirm that we have studied the provisions of the relevant Indian Laws and Regulations as required to enable us to submit this response to RfS and execute the PPA, in the event of our selection as Successful Bidder.

7. In case of our selection as the Successful bidder under the scheme and the project being executed by a Special Purpose Vehicle (SPV) incorporated by us which shall be our subsidiary, we shall infuse necessary equity to the requirements of RfS. Further we will

submit a Board Resolution prior to signing of PPA with SECI, committing total equity infusion in the SPV as per the provisions of RfS.

8. We are submitting our response to the RfS with formats duly signed as desired by you in the RfS online for your consideration.
9. It is confirmed that our response to the RfS is consistent with all the requirements of submission as stated in the RfS, including all clarifications and amendments and subsequent communications from SECI.
10. The information submitted in our response to the RfS is correct to the best of our knowledge and understanding. We would be solely responsible for any errors or omissions in our response to the RfS.
11. We confirm that all the terms and conditions of our Bid are valid up to \_\_\_\_\_ (*Insert date in dd/mm/yyyy*) for acceptance [i.e. a period of 180 (One Hundred Eighty) Days from the last date of submission of response to RfS].
12. Contact Person

Details of the representative to be contacted by SECI are furnished as under:

Name : .....  
Designation : .....  
Company : .....  
Address : .....  
Phone Nos. : .....  
Mobile Nos. : .....  
Fax Nos. : .....  
E-mail address : .....

13. We have neither made any statement nor provided any information in this Bid, which to the best of our knowledge is materially inaccurate or misleading. Further, all the confirmations, declarations and representations made in our Bid are true and accurate. In case this is found to be incorrect after our selection as Successful Bidder, we agree that the same would be treated as a Seller's event of default under PPA and consequent provisions of PPA shall apply.

Dated the \_\_\_\_\_ day of \_\_\_\_\_, 20....

Thanking you,  
We remain,  
Yours faithfully,

Name, Designation, Seal and Signature of Authorized Person in whose name Power of Attorney/ Board Resolution/ Declaration.

In consideration of the \_\_\_\_\_ [Insert name of the Bidder] (hereinafter referred to as 'Bidder') submitting the response to RfS inter alia for Selection of RE Power Developers for Supply of 5000 MW of Round-the-Clock (RTC) Power from Grid-Connected Renewable Energy (RE) Power Projects, complemented with Power from Coal based Thermal Power Projects in India under Tariff-based Competitive Bidding (RTC-II) of the cumulative capacity of ..... MW [Insert cumulative Project capacity proposed] for supply of power there from on long term basis, in response to the RfS No. \_\_\_\_\_ dated \_\_\_\_\_ issued by Solar Energy Corporation of India Limited (hereinafter referred to as SECI) and SECI considering such response to the RfS of .....[insert the name of the Bidder] as per the terms of the RfS, the \_\_\_\_\_ [insert name & address of bank] hereby agrees unequivocally, irrevocably and unconditionally to pay to SECI at [Insert Name of the Place from the address of SECI] forthwith without demur on demand in writing from SECI or any Officer authorized by it in this behalf, any amount upto and not exceeding Rupees \_\_\_\_\_ [Insert amount not less than that derived on the basis of Rs. 5 Lakhs per MW of cumulative capacity proposed], only, on behalf of M/s \_\_\_\_\_ [Insert name of the Bidder].

This guarantee shall be valid and binding on this Bank up to and including \_\_\_\_\_ [insert date of validity in accordance with Clause No. 10, Section-III, ITB of this RfS] and shall not be terminable by notice or any change in the constitution of the Bank or the term of contract or by any other reasons whatsoever and our liability hereunder shall not be impaired or discharged by any extension of time or variations or alternations made, given, or agreed with or without our knowledge or consent, by or between parties to the respective agreement.

Our liability under this Guarantee is restricted to INR \_\_\_\_\_ (Indian Rupees \_\_\_\_\_ only). Our Guarantee shall remain in force until \_\_\_\_\_ [insert date of validity in accordance with Clause No. 10, Section-III, ITB of this RfS]. SECI shall be entitled to invoke this Guarantee till \_\_\_\_\_ [insert date of validity in accordance with Clause No. 10, Section-III, ITB of this RfS].

The Guarantor Bank hereby agrees and acknowledges that the SECI shall have a right to invoke this BANK GUARANTEE in part or in full, as it may deem fit.

The Guarantor Bank hereby expressly agrees that it shall not require any proof in addition to the written demand by SECI, made in any format, raised at the above mentioned address of the Guarantor Bank, in order to make the said payment to SECI.

The Guarantor Bank shall make payment hereunder on first demand without restriction or conditions and notwithstanding any objection by \_\_\_\_\_ [Insert name of the Bidder]

and/ or any other person. The Guarantor Bank shall not require SECI to justify the invocation of this BANK GUARANTEE, nor shall the Guarantor Bank have any recourse against SECI in respect of any payment made hereunder.

This BANK GUARANTEE shall be interpreted in accordance with the laws of India and the courts at New Delhi shall have exclusive jurisdiction.

The Guarantor Bank represents that this BANK GUARANTEE has been established in such form and with such content that it is fully enforceable in accordance with its terms as against the Guarantor Bank in the manner provided herein.

This BANK GUARANTEE shall not be affected in any manner by reason of merger, amalgamation, restructuring or any other change in the constitution of the Guarantor Bank.

This BANK GUARANTEE shall be a primary obligation of the Guarantor Bank and accordingly SECI shall not be obliged before enforcing this BANK GUARANTEE to take any action in any court or arbitral proceedings against the Bidder, to make any claim against or any demand on the Bidder or to give any notice to the Bidder or to enforce any security held by SECI or to exercise, levy or enforce any distress, diligence or other process against the Bidder.

This BANK GUARANTEE shall be effective only when the Bank Guarantee issuance message is transmitted by the issuing Bank through SFMS to IDFC First Bank and a confirmation in this regard is received by SECI.

Notwithstanding anything contained hereinabove, our liability under this Guarantee is restricted to INR \_\_\_\_\_ (Indian Rupees \_\_\_\_\_ Only) and it shall remain in force until \_\_\_\_\_ [Date to be inserted on the basis of Clause No. 10, Section-III, ITB of this RfS].

We are liable to pay the guaranteed amount or any part thereof under this Bank Guarantee only if SECI serves upon us a written claim or demand.

**Certified True Copy**

-----  
**(Signature, Name and Stamp of Company Secretary)**

**Notes:**

- 1) This certified true copy should be submitted on the letterhead of the Company, signed by the Company Secretary/ Director.
- 2) The contents of the format may be suitably re-worded indicating the identity of the entity passing the resolution.
- 3) This format may be modified only to the limited extent required to comply with the local regulations and laws applicable to a foreign entity submitting this resolution. For example, reference to Companies Act, 1956 or Companies Act, 2013 as applicable may be suitably modified to refer to the law applicable to the entity submitting the resolution. However, in such case, the foreign entity shall submit an unqualified opinion issued by the legal counsel of such foreign entity, stating that the Board resolutions are in compliance with the applicable laws of the respective jurisdictions of the issuing Company and the authorizations granted therein are true and valid.

**FORMAT FOR CONSORTIUM AGREEMENT**

**(To be Submitted Separately for each Project)**

*(To be stamped in accordance with Stamp Act, the Non-Judicial Stamp Paper of Appropriate Value)*

THIS Consortium Agreement (“Agreement”) executed on this \_\_\_\_ Day of \_\_\_\_\_ Two Thousand \_\_\_\_ between M/s \_\_\_\_\_ [*Insert name of Lead Member*] a Company incorporated under the laws of \_\_\_\_\_ and having its Registered Office at \_\_\_\_\_ (hereinafter called the “**Member-1**”, which expression shall include its successors, executors and permitted assigns) and M/s \_\_\_\_\_ a Company incorporated under the laws of \_\_\_\_\_ and having its Registered Office at \_\_\_\_\_ (hereinafter called the “**Member-2**”, which expression shall include its successors, executors and permitted assigns), M/s \_\_\_\_\_ a Company incorporated under the laws of \_\_\_\_\_ and having its Registered Office at \_\_\_\_\_

(hereinafter called the “**Member-n**”, which expression shall include its successors, executors and permitted assigns), [*The Bidding Consortium should list the details of all the Consortium Members*] for the purpose of submitting response to RfS and execution of Power Purchase Agreement (in case of award), against RfS No. \_\_\_\_\_ dated \_\_\_\_\_ issued by Solar Energy Corporation of India Limited (SECI) a Company incorporated under the Companies Act, 2013, and having its Registered Office at D-3, 1<sup>st</sup> Floor, Wing-A, Prius Platinum Building, District Centre, Saket, New Delhi-110017

WHEREAS, each Member individually shall be referred to as the “Member” and all of the Members shall be collectively referred to as the “Members” in this Agreement.

WHEREAS SECI desires to purchase Power under Rfs for Selection of RE Power Developers for Supply of 5000 MW of Round-the-Clock (RTC) Power from Grid-Connected Renewable Energy (RE) Power Projects, complemented with Power from Coal based Thermal Power Projects in India under Tariff-based Competitive Bidding (RTC-II);

WHEREAS, SECI had invited response to RfS vide its Request for Selection (RfS) dated \_\_\_\_\_

WHEREAS the RfS stipulates that in case response to RfS is being submitted by a Bidding Consortium, the Members of the Consortium will have to submit a legally enforceable Consortium Agreement in a format specified by SECI wherein the Consortium Members have to commit equity investment of a specific percentage for the Project.

NOW THEREFORE, THIS AGREEMENT WITNESSTH AS UNDER:

In consideration of the above premises and agreements all the Members in this Bidding Consortium do hereby mutually agree as follows:

1. We, the Members of the Consortium and Members to the Agreement do hereby unequivocally agree that Member-1 (M/s \_\_\_\_\_), shall act as the Lead Member as defined in the RfS for self and agent for and on behalf of Member-2, -----, Member-n and to submit the response to the RfS.
2. The Lead Member is hereby authorized by the Members of the Consortium and Members to the Agreement to bind the Consortium and receive instructions for and on their behalf.
3. Notwithstanding anything contrary contained in this Agreement, the Lead Member shall always be liable for the equity investment obligations of all the Consortium Members i.e. for both its own liability as well as the liability of other Members.
4. The Lead Member shall be liable and responsible for ensuring the individual and collective commitment of each of the Members of the Consortium in discharging all of their respective equity obligations. Each Member further undertakes to be individually liable for the performance of its part of the obligations without in any way limiting the scope of collective liability envisaged in this Agreement.
5. Subject to the terms of this Agreement, the share of each Member of the Consortium in the issued equity share capital of the Project Company is/shall be in the following proportion:

<b>Name</b>	<b>Percentage</b>
Member 1	---
Member 2	---
Member n	---
<b>Total</b>	100%

We acknowledge that after the execution of PPA, the controlling shareholding (having not less than 51% of the voting rights and paid up share capital) in the Project Company developing the Project shall be maintained for a period of 03 (Three) Years after commencement of supply of power.

6. The Lead Member, on behalf of the Consortium, shall inter alia undertake full responsibility for liaising with Lenders or through internal accruals and mobilizing debt resources for the Project, and ensuring that the Seller achieves Financial Closure in terms of the PPA.
7. In case of any breach of any equity investment commitment by any of the Consortium Members, the Lead Member shall be liable for the consequences thereof.
8. Except as specified in the Agreement, it is agreed that sharing of responsibilities as aforesaid and equity investment obligations thereto shall not in any way be a limitation of responsibility of the Lead Member under these presents.

9. It is further specifically agreed that the financial liability for equity contribution of the Lead Member shall not be limited in any way so as to restrict or limit its liabilities. The Lead Member shall be liable irrespective of its scope of work or financial commitments.
10. This Agreement shall be construed and interpreted in accordance with the Laws of India and courts at New Delhi alone shall have the exclusive jurisdiction in all matters relating thereto and arising thereunder.
11. It is hereby further agreed that in case of being selected as the Successful Bidder, the Members do hereby agree that they shall furnish the Performance Guarantee in favour of SECI in terms of the RfS.
12. It is further expressly agreed that the Agreement shall be irrevocable and shall form an integral part of the Power Purchase Agreement (PPA) and shall remain valid until the expiration or early termination of the PPA in terms thereof, unless expressly agreed to the contrary by SECI.
13. The Lead Member is authorized and shall be fully responsible for the accuracy and veracity of the representations and information submitted by the Members respectively from time to time in the response to RfS.
14. It is hereby expressly understood between the Members that no Member at any given point of time, may assign or delegate its rights, duties or obligations under the PPA except with prior written consent of SECI.
15. This Agreement
  - a) has been duly executed and delivered on behalf of each Member hereto and constitutes the legal, valid, binding and enforceable obligation of each such Member;
  - b) sets forth the entire understanding of the Members hereto with respect to the subject matter hereof; and
  - c) may not be amended or modified except in writing signed by each of the Members and with prior written consent of SECI.
16. All the terms used in capitals in this Agreement but not defined herein shall have the meaning as per the RfS and PPA.

IN WITNESS WHEREOF, the Members have, through their authorized representatives, executed these present on the Day, Month and Year first mentioned above.

**Regn. No. of the CA's Firm:**

**Date:**

Note: (i) Along with the above format, in a separate sheet on the letterhead of the Chartered Accountant's Firm, provide details of computation of Net Worth and Annual Turnover duly certified by the Chartered Accountant.

(ii) Certified copies of Balance sheet, Profit & Loss Account, Schedules and Cash Flow Statements are to be enclosed in complete form along with all the Notes to Accounts.

**UNDERTAKING**

*(To be submitted on the letterhead of the Bidder)*

We, hereby provide this undertaking to Solar Energy Corporation of India Limited, in respect to our response to RfS vide RfS No. \_\_\_\_\_ dated \_\_\_\_\_, that M/s \_\_\_\_\_ (insert name of the Bidder), or any of its Affiliates is not a willful defaulter to any lender, and that there is no major litigation pending or threatened against M/s \_\_\_\_\_ (insert name of the Bidder) or any of its Affiliates which are of a nature that could cast a doubt on the ability or the suitability of the Bidder to undertake the Project.

(Name and Signature of the Authorized Signatory)

**FORMAT FOR DISCLOSURE**

**(This should be submitted on the Letter Head of the Bidding Company/ Each Member of Consortium)**  
**DISCLOSURE**

Ref.No. \_\_\_\_\_

Date: \_\_\_\_\_

From: \_\_\_\_\_ (Insert name and address of Bidding Company/ Lead Member of Consortium)

\_\_\_\_\_

E-mail address# \_\_\_\_\_

To

Solar Energy Corporation of India Limited

D - 3, 1<sup>st</sup> Floor, Wing - A, Prius Platinum Building

District Centre, Saket, New Delhi - 110 017

Sub: Response to RfS No. SECI/C&P/RPD/RTC-II/RfS/5000MW/032020 dated \_\_\_\_\_ for Selection of RE Power Developers for Supply of 5000 MW of Round-the-Clock (RTC) Power from Grid-Connected Renewable Energy (RE) Power Projects, complemented with Power from Coal based Thermal Power Projects in India under Tariff-based Competitive Bidding (RTC-II)

Dear Sir/ Madam,

We hereby declare and confirm that only we are participating in the RfS Selection process for the RfS No. \_\_\_\_\_ and that our Parent, Affiliate or Ultimate Parent or any Group Company with which we have direct or indirect relationship are not separately participating in this selection process.

We further declare that the above statement is true & correct. We are aware that if at any stage it is found to be incorrect, our response to RfS will be rejected and if LoA has been issued or PPA has been signed, the same will be cancelled and the bank guarantees will be encashed and recoveries will be effected for the payments done.

Dated the \_\_\_\_\_ day of \_\_\_\_\_, 20....

Thanking you,

We remain,

Yours faithfully,

Name, Designation, Seal and Signature of Authorized Person in whose name Power of Attorney/ Board Resolution/ Declaration.

Sub: Response to RfS No. SECI/C&P/RPD/RTC-II/RfS/5000MW/032020 dated \_\_\_\_\_ for Selection of RE Power Developers for Supply of 5000 MW of Round-the-Clock (RTC) Power from Grid-Connected Renewable Energy (RE) Power Projects, complemented with Power from Coal based Thermal Power Projects in India under Tariff-based Competitive Bidding (RTC-II)

Dear Sir/ Madam,

We hereby undertake to certify in line with **Clause No. 15, Section-III, ITB** under the title "Financial Closure" that the following details shall be furnished within **12 (twelve) months** from Effective Date of the PPA.

- 1.0 Evidence of achieving complete-tie-up of the Project Cost through internal accruals or through a Financing Agency.
- 2.0 DPR of the Project, detailing out project configuration and proposed commissioning schedule of the Project.

Failure or delay on our part in achieving the above conditions shall constitute sufficient grounds for actions as per the provisions of the RfS.

Dated the \_\_\_\_\_ day of \_\_\_\_\_, 20....

Thanking you,

We remain,

Yours faithfully,

Name, Designation, Seal and Signature of Authorized Person in whose name Power of Attorney/ Board Resolution/ Declaration.

**DECLARATION BY THE BIDDER FOR THE PROPOSED  
TECHNOLOGY TIE-UP**

**(To be Submitted Separately for each Project)**

1	Name of Bidding Company/ Lead Member of Bidding Consortium	
2	Project Location	
3	Capacity Proposed	..... MW
4	Number of Projects	
5	Technology Proposed to be adopted for the Project	
6	Estimated Annual Generation of Electrical Energy	kWh
7	Brief about the Proposed Technology and Project component breakup	
	i) RE Project (including ESS, if any)	
	ii) Spare capacity tied up with the Thermal Project, if any (to be minimum 60% of the value indicated at Sl. 3 above)	..... MW
8	Details to be submitted in case of tie-up with Thermal Capacity	
	i) Proof of the tie-up	Enclosed as Annexure 'A' to this Format.
	ii) Proof of availability of spare capacity in the thermal project	Enclosed as Annexure 'A' to this Format.

Dated the \_\_\_\_\_ day of \_\_\_\_\_, 20....

Thanking you,  
We remain,  
Yours faithfully,

Name, Designation, Seal and Signature of Authorized Person in whose name Power of Attorney/ Board Resolution/ Declaration.

**SWORN AFFIDAVIT**

Sworn Affidavit duly notarized to be submitted by the authorized signatory, confirming the following:

1. Tie-up with thermal power project(s) for a cumulative capacity of \_\_\_\_\_MW, which is equal to atleast 60% of the cumulative Project capacity quoted in Format 7.1.
2. That, the tied-up capacity as indicated above, is spare capacity available in the thermal project identified by the Bidder.
3. That, the respective thermal power generator has not tied-up with any other bidder under this RfS, for the same spare capacity.
4. That, irrespective of the contractual arrangement between the Bidder/RPD and the thermal power generator, all the RPD related liabilities under the Guidelines, RfS and PPA, shall be of the entity signing the PPA and recognized as the RPD.

**FORMAT FOR SUBMISSION OF FINANCIAL BID**

**(The Covering Letter should be submitted on the Letter Head of the Bidding Company/  
Lead Member of Consortium)**

Solar Energy Corporation of India Limited

D - 3, 1<sup>st</sup> Floor, Wing - A, Prius Platinum Building

District Centre, Saket, New Delhi - 110 017

Sub: Response to RfS No. SECI/C&P/RPD/RTC-II/RfS/5000MW/032020 dated \_\_\_\_\_ for Selection of RE Power Developers for Supply of 5000 MW of Round-the-Clock (RTC) Power from Grid-Connected Renewable Energy (RE) Power Projects, complemented with Power from Coal based Thermal Power Projects in India under Tariff-based Competitive Bidding (RTC-II)

Dear Sir/ Madam,

I/ We, \_\_\_\_\_ (Insert Name of the Bidder) enclose herewith the Financial Proposal for selection of my/ our firm for \_\_\_\_\_ number of Project(s) for a cumulative capacity of \_\_\_\_\_ MW in India as Bidder for the above.

I/ We agree that this offer shall remain valid for a period of 180 (One Hundred and Eighty) days from the due date of submission of the response to RfS such further period as may be mutually agreed upon.

Dated the \_\_\_\_\_ day of \_\_\_\_\_, 20....

Thanking you,

We remain,

Yours faithfully,

Name, Designation, Seal and Signature of Authorized Person in whose name Power of Attorney/ Board Resolution/ Declaration.

**Notes:**

1. *There can be only one tariff for all the projects applied for. If the bidder quotes two tariffs or combination thereof for the projects, then the bid shall be considered as non-responsive.*
2. *If the bidder submits the financial bid in the Electronic Form at ETS portal not in line with the instructions mentioned therein, then the bid shall be considered as non-responsive.*
3. *Tariff requirement shall be quoted as a fixed amount in Indian Rupees only. Conditional proposal shall be summarily rejected.*
4. *In the event of any discrepancy between the values entered in figures and in words, the values entered in words shall be considered.*
5. *Tariff should be in Indian Rupee up to two places of decimals only.*

**PRELIMINARY ESTIMATE OF COST OF RE POWER PROJECT**

Project Capacity: .....MW  
Location: .....

Bidder may use any format to provide the break-up.

Dated the \_\_\_\_\_ day of \_\_\_\_\_, 20....

Thanking you,  
We remain,  
Yours faithfully,

Name, Designation, Seal and Signature of Authorized Person in whose name Power of Attorney/ Board Resolution/ Declaration.

**TECHNICAL PARAMETER OF PV MODULE AND VARIOUS OTHER COMPONENTS FOR USE IN GRID CONNECTED SOLAR POWER PLANTS**

The Project selected under the RfS shall strictly adhere to the Central Electricity Authority (Technical Standards for Connectivity to the Grid) Regulations, 2007, as amended vide the Central Electricity Authority (Technical Standards for Connectivity to the Grid) (Amendment) Regulations, 2019, and subsequent amendments and clarifications.

All components of the PV plant shall be in accordance with technical specifications given in relevant IS/ IEC Standards. The design and commissioning also shall be as per latest IS/ IEC standards. The following are some of the technical measures required to ensure quality of the major components used in grid connected solar power Projects.

**1. SPV Modules**

1.1 The SPV modules used in the grid solar power Projects must qualify to the latest edition of any of the following IEC PV module qualification test or equivalent BIS standards.

Crystalline Silicon Solar Cell Modules	IEC 61215
Thin Film Modules	IEC 61646
Concentrator PV modules	IEC 62108

1.2 In addition, SPV modules must qualify to IEC 61730 for safety qualification testing at 1000 V DC or higher. The modules to be used in a highly corrosive atmosphere throughout their lifetime must qualify to IEC 61701.

**2. Power Conditioners/ Inverters**

The Power Conditioners/Inverters of the SPV power plant must conform to the latest edition of IEC/ equivalent Standards as specified below:

Efficiency Measurements	IEC 61683
Environmental Testing	IEC 60068-2/ IEC 62093
Electromagnetic Compatibility (EMC)	IEC 61000-6-2, IEC 61000-6-4 & other relevant parts of IEC 61000
Electrical Safety	IEC 62103/ 62109-1&2
Anti-Islanding Protection	IEEE1547/IEC 62116/ UL1741 or equivalent BIS Standards

**3. Other Sub-systems/Components**

Other subsystems/components used in the SPV power plants (Cables, Connectors, Junction Boxes, Surge Protection Devices, etc.) must also conform to the relevant international/national Standards for Electrical Safety besides that for Quality required for ensuring Expected Service Life and Weather Resistance. It is recommended that the Cables of 600-1800 Volts DC for outdoor installations should comply with the BS EN 50618:2014/2pfg 1169/08.2007 for service life expectancy of 25 years.

#### 4. Authorized Test Centers

The PV modules/Power Conditioners deployed in the power plants must have valid test certificates for their qualification as per above specified IEC/ BIS Standards by one of the NABL Accredited Test Centers in India. In case of module types like Thin Film and CPV / equipment for which such Test facilities may not exist in India at present, test certificates from reputed ILAC Member body accredited Labs abroad will be acceptable.

#### 5. Warranty

PV modules used in grid connected solar power plants must be warranted for peak output wattage, which should not be less than 90% at the end of 10 years and 80% at the end of 25 years.

- PV modules used in grid connected solar power plants must be warranted for peak output wattage, which should not be less than 90% at the end of 10 years and 80% at the end of 25 years.
- The modules shall be warranted for at least 10 years for failures due to material defects and workmanship.
- The mechanical structures, electrical works and overall workmanship of the grid solar power plants must be warranted for a minimum of 5 years.
- The Inverters/ PCUs installed in the solar power plant must have a warranty for 5 years.

#### 6. Identification and Traceability

Each PV module used in any solar power Project must use a RF identification tag. The following information must be mentioned in the RFID used on each module (This can be inside or outside the laminate, but must be able to withstand harsh environmental conditions):

- i. Name of the manufacturer of PV Module
- ii. Name of the Manufacturer of Solar cells
- iii. Month and year of the manufacture (separately for solar cells and module)
- iv. Country of origin (separately for solar cells and module)
- v. I-V curve for the module at Standard Test Condition (1000 W/m<sup>2</sup>, AM 1.5, 25°C)
- vi. Wattage,  $I_m$ ,  $V_m$  and FF for the module
- vii. Unique Serial No. and Model No. of the module
- viii. Date and year of obtaining IEC PV module qualification certificate
- ix. Name of the test lab issuing IEC certificate
- x. Other relevant information on traceability of solar cells and module as per ISO 9000.

Site owners would be required to maintain accessibility to the list of Module IDs along with the above parametric data for each module.

#### 7. Performance Monitoring

All grid solar PV power projects must install necessary equipment to continuously measure solar radiation, ambient temperature, wind speed and other weather parameters and

simultaneously measure the generation of DC power as well as AC power generated from the plant.

They will be required to submit this data to Procurer and MNRE or any other designated agency on line and/or through a report on regular basis every month for the entire duration of PPA. In this regard they shall mandatorily also grant access to Procurer and MNRE or any other designated agency to the remote monitoring portal of the power plants on a 24X7 basis.

### 8. Safe Disposal of Solar PV Modules and unit Batteries from the ESS

The developers will ensure that all Solar PV modules and ESS components, if any, from their plant after their 'end of life' (when they become defective/ non-operational/ non-repairable) are disposed of in accordance with the "e-waste (Management and Handling) Rules, 2011" notified by the Government and as revised and amended from time to time.

### 9. Capacity Of Solar PV Projects

- i) The rated capacity to be installed shall be considered as minimum DC Arrays Capacity and maximum AC Capacity at the delivery point as described below:

Sr. No.	Solar PV Project Capacity Bid	Minimum DC Arrays Capacity to be installed	Minimum Rated Inverter Capacity	Maximum AC Capacity Limit at Delivery point
1	50 MW	50 MW	50 MW	50 MW

- ii) Higher DC capacity arrays so as to achieve AC capacity limit as mentioned above for scheduling at the delivery point in compliance to Article 4.4 "Right to Contracted Capacity & Energy" of the PPA is allowed.
- iii) For commissioning of the Project, capacity of DC arrays installed shall be considered in multiple of 10 MW per unit. In case of part commissioning of 20 MW Project, each unit shall be required to have minimum 10 MW DC Arrays Capacity be installed.
- iv) Provisions of Article 4.6.1 of the PPA with HPD shall apply for the capacity not commissioned by the scheduled commissioning date.
- v) If generation at any time exceeds the maximum permissible AC capacity at delivery point, the excess generation during that period shall not be considered under PPA.

**SAFETY STANDARDS TO BE FOLLOWED FOR ENERGY STORAGE SYSTEMS (AS APPLICABLE)****Battery Energy Storage Systems (BESS)**

<b>Standard/ Code (or equivalent Indian Standards)</b>	<b>Description</b>
IEC 61427-2	Secondary cells and batteries for renewable energy storage for On-grid applications
IEC 62485-2	Safety requirements for secondary batteries and battery installations - to meet requirements on safety aspects associated with the erection, use, inspection, maintenance and disposal: Non-chemistry Specific (applicable to all secondary battery types)
IEC 61508	Functional Safety of Electrical/Electronic/Programmable Electronic Safety-related Systems: Applicable for all Battery Energy Storage Systems
IEC 62133-1:2017	Secondary cells and batteries containing alkaline or other non-acid electrolytes - Safety requirements for portable sealed secondary cells, and for batteries made from them, for use in portable applications - Part 1: Nickel systems
IEC 62133-2 :2017	Secondary cells and batteries containing alkaline or other non-acid electrolytes - Safety requirements for portable sealed secondary cells, and for batteries made from them, for use in portable applications - Part 2: Lithium systems
IEC 62281/UN 38.3	Safety of primary and secondary lithium cells and batteries during transport: Applicable for storage systems using Lithium Ion chemistries
IEC 61850/ DNP3	Communications networks and management systems. (Plant SCADA and the BESS control system communication)
IEC TS 62933-5-1:2017	Electrical energy storage (EES) systems - Part 5-1: Safety considerations for grid-integrated EES systems - General specification

For other technologies being used in ESS, the Developer shall adhere to the relevant environmental and safety standards issued by Government of India from time to time.

**COMMISSIONING PROCEDURE**

Commissioning Procedure for the Project selected under the RfS shall be intimated by SECI in due course of time.

**CHECK LIST FOR BANK GUARANTEES**

<b>Sl. no.</b>	<b>Details of Checks</b>	<b>Yes/ No</b>
1.	Is the BG on non-judicial Stamp paper of appropriate value, as per applicable Stamp Act of the place of execution	
2.	Whether date, purpose of purchase of stamp paper and name of the purchaser are indicated on the back of Stamp Paper under the Signature of Stamp vendor? (The date of purchase of stamp paper should be not later than the date of execution of BG and the stamp paper should be purchased either in the name of the executing Bank or the party on whose behalf the BG has been issued.	
3.	In case of BGs from Banks abroad, has the BG been executed on Letter Head of the Bank endorsed by the Indian branch of the same bank or SBI, India?	
4.	Has the executing Officer of BG indicated his name, designation and Power of Attorney No./ Signing Power no. on the BG?	
5.	Is each page of BG duly signed/ initialed by executant and whether stamp of Bank is affixed thereon? Whether the last page is signed with full particulars including two witnesses under seal of Bank as required in the prescribed proforma?	
6.	Do the Bank Guarantees compare verbatim with the Proforma prescribed in the Bid Documents?	
7.	Are the factual details such as Bid Document No./ Specification No./ LOA No. (if applicable)/ Amount of BG and Validity of BG correctly mentioned in the BG	
8.	Whether overwriting/ cutting, if any, on the BG have been properly authenticated under signature & seal of executant?	
9.	Whether the BG has been issued by a Bank in line with the provisions of Bidding documents?	
10.	In case BG has been issued by a Bank other than those specified in Bidding Document, is the BG confirmed by a Bank in India acceptable as per Bidding documents?	

**SPECIAL INSTRUCTIONS TO BIDDERS FOR  
e-TENDERING AND REVERSE AUCTION**

**GENERAL**

The Special Instructions (for e-Tendering) supplement 'Instructions to Bidders', as given in these RfS Documents. Submission of Online Bids is mandatory for this RfS.

e-Tendering is a new methodology for conducting Public Procurement in a transparent and secured manner. Now, the Government of India has made e-Tendering mandatory. Suppliers/Vendors will be the biggest beneficiaries of this new system of procurement. For conducting electronic tendering, *Solar Energy Corporation of India Limited (SECI)* has adopted a secured and user friendly e-tender system enabling bidders to Search, View, Download tender document(s) directly from the e-tendering portal of M/s Electronic Tender.com (India) Pvt. Limited <https://www.bharat-electronictender.com> through ISN-ETS. This portal is based on the world's most 'secure' and 'user friendly' software from ElectronicTender®. A portal built using ElectronicTender's software is also referred to as ElectronicTender System® (ETS).

Benefits to Suppliers are outlined on the Home-page of the portal.

**INSTRUCTIONS**

**Tender Bidding Methodology:**

Sealed Bid System

Single Stage Two Envelope

Auction

The sealed bid system would be followed by an 'e-Reverse Auction'

**Broad Outline of Activities from Bidder's Perspective:**

1. Procure a Class III Digital Signing Certificate (DSC).
2. Register on ElectronicTender System® (ETS)
3. Create Marketing Authorities (MAs), Users and assign roles on ETS. It is mandatory to create at least one MA
4. View Notice Inviting Tender (NIT) on ETS
5. For this tender -- Assign Tender Search Code (TSC) to a MA
6. Download Official Copy of Tender Documents from ETS. Note: Official copy of Tender Documents is distinct from downloading 'Free Copy of Tender Documents'. To participate in a tender, it is mandatory to procure official copy of Tender Documents for that tender.
7. Clarification to Tender Documents on ETS
  - a) Query to SECI (Optional)
  - b) View response to queries posted by SECI
8. Bid-Submission on ETS
9. Respond to SECI Post-TOE queries

10. Participate in e-Reverse Auction if invited

For participating in this tender online, the following instructions are to be read carefully. These instructions are supplemented with more detailed guidelines on the relevant screens of the ETS.

### Digital Certificates

For integrity of data and authenticity/ non-repudiation of electronic records, and to be compliant with IT Act 2000, it is necessary for each user to have a Digital Certificate (DC), also referred to as Digital Signature Certificate (DSC), of Class III, issued by a Certifying Authority (CA) licensed by Controller of Certifying Authorities (CCA) [refer <http://www.cca.gov.in>].

### Registration

To use the ElectronicTender® portal <https://www.bharat-electronictender.com>, vendors need to register on the portal. Registration of each organization is to be done by one of its senior persons who will be the main person coordinating for the e-tendering activities. In ETS terminology, this person will be referred to as the Super User (SU) of that organization. For further details, please visit the website/ portal, and click on the 'Supplier Organization' link under 'Registration' (on the Home Page), and follow further instructions as given on the site. Pay Annual Registration Fee as applicable.

After successful submission of Registration details and payment of Annual Registration Fee, please contact ISN-ETS Helpdesk (as given below), to get your registration accepted/ activated.

#### Important Note:

- Interested bidders have to download official copy of the RfS & other documents after login into the e-tendering Portal of ISN-ETS <https://www.bharat-electronictender.com>. If the official copy of the documents is not downloaded from e-tendering Portal of ISN-ETS within the specified period of downloading of RfS and other documents, bidder will not be able to participate in the tender.
- To minimize teething problems during the use of ETS (including the Registration process), it is recommended that the user should peruse the instructions given under 'ETS User-Guidance Centre' located on ETS Home Page, including instructions for timely registration on ETS. The instructions relating to 'Essential Computer Security Settings for Use of ETS' and 'Important Functionality Checks' should be especially taken into cognizance.

Please note that even after acceptance of your registration by the Service Provider, to respond to a tender you will also require time to complete activities related to your organization, such as creation of users, assigning roles to them, etc.

<b>ISN-ETS/ Helpdesk</b>	
<b>Telephone/ Mobile</b>	<i>Customer Support: +91-124-4229071, 4229072 ( From 1000 HRS to 1800 HRS on all Working Days i.e. Monday to Friday except Government Holidays)</i>
<b>Email-ID</b>	<i>support@isn-ets.com [Please mark CC: <a href="mailto:support@electronictender.com">support@electronictender.com</a>]</i>

#### **Some Bidding Related Information for this Tender (Sealed Bid)**

<b>RfS for Selection of RE Power Developers for Supply of 5000 MW of RTC Power complemented with Power from Coal based Thermal Power Projects in India (RTC-II)</b>	<b>RfS No. SECI/C&amp;P/RPD/RTC-II/RfS/5000MW/032020</b>	<b>Page 104 of 114</b>
---	--	------------------------

The entire bid-submission would be online on ETS (unless specified for Offline Submissions). Broad outline of submissions are as follows:

- Submission of Bid-Parts
  - Envelope I (Technical-Bid)
  - Envelope II (Financial-Bid)
- *Submission of digitally signed copy of Tender Documents/ Addendum*

In addition to the above, the bidders are required to submit certain documents physically offline also as per Clause No. 23, Section-III, ITB of RfS Documents, failing which the technical bids will not be opened.

*Note: The Bidder should also upload the scanned copies of all the above mentioned original documents as Bid-Annexures during Online Bid-Submission.*

### **Internet Connectivity**

If bidders are unable to access ISN-ETS's e-tender portal or Bid Documents, the bidders may please check whether they are using proxy to connect to internet or their PC is behind any firewall and may contact their system administrator to enable connectivity. Please note that Port SSL/ 443 should be enabled on proxy/firewall for HTTPS connectivity. Dial-up/ Broad and internet connectivity without Proxy settings is another option

### **SPECIAL NOTE ON SECURITY AND TRANSPARENCY OF BIDS**

Security related functionality has been rigorously implemented in ETS in a multidimensional manner. Starting with 'Acceptance of Registration by the Service Provider', provision for security has been made at various stages in Electronic Tender's software. Specifically, for Bid Submission, some security related aspects are outlined below:

As part of the Electronic Encrypted<sup>®</sup> functionality, the contents of both the 'ElectronicForms<sup>®</sup>' and the 'Main-Bid' are securely encrypted using a Pass-Phrase created by the Bidder himself. Unlike a 'password', a Pass-Phrase can be a multi-word sentence with spaces between words (e.g. I love this World). A Pass-Phrase is easier to remember, and more difficult to break. It is mandatory that a separate Pass-Phrase be created for each Bid-Part. This method of bid-encryption does not have the security and data-integrity related vulnerabilities which are inherent in e-tendering systems which use Public-Key of the specified officer of a Buyer organization for bid-encryption. Bid-encryption in ETS is such that the Bids cannot be decrypted before the Public Online Tender Opening Event (TOE), even if there is connivance between the concerned tender-opening officers of the Buyer organization and the personnel of e-tendering service provider.

**CAUTION:** All bidders must fill ElectronicForms<sup>®</sup> for each bid-part sincerely and carefully, and avoid any discrepancy between information given in the ElectronicForms<sup>®</sup> and the corresponding Main-Bid. For transparency, the information submitted by a bidder in the ElectronicForms<sup>®</sup> is made available to other bidders during the Online Public TOE. If it is found during the Online Public TOE that a bidder has not filled in the complete information in the ElectronicForms<sup>®</sup>, the TOE officer may make available for downloading the corresponding Main-

Bid of that bidder at the risk of the bidder. **If variation is noted between the information contained in the ElectronicForms® and the 'Main-Bid', the contents of the ElectronicForms® shall prevail.**

In case of any discrepancy between the values mentioned in figures and in words, the value mentioned in words will prevail.

**The bidder shall make sure that the Pass-Phrase to decrypt the relevant Bid-Part is submitted into the 'Time Locked Electronic Key Box (EKB)' after the deadline of Bid Submission, and before the commencement of the Online TOE of Technical Bid.** The process of submission of this Pass-Phrase in the 'Time Locked Electronic Key Box' is done in a secure manner by first encrypting this Pass-Phrase with the designated keys provided by SECI.

Additionally, the bidder shall make sure that the Pass-Phrase to decrypt the relevant Bid-Part is submitted to SECI in a sealed envelope before the start date and time of the Tender Opening Event (TOE).

There is an additional protection with SSL Encryption during transit from the client-end computer of a Supplier organization to the e-Tendering Server/ Portal.

### **OTHER INSTRUCTIONS**

For further instructions, the vendor should visit the home-page of the portal <https://www.bharat-electronictender.com>, and go to the **User-Guidance Center**

The help information provided through 'ETS User-Guidance Center' is available in three categories – Users intending to Register/ First-Time Users, Logged-in users of Buyer organizations, and Logged-in users of Supplier organizations. Various links (including links for User Manuals) are provided under each of the three categories.

Important Note: It is strongly recommended that all authorized users of Supplier organizations should thoroughly peruse the information provided under the relevant links, and take appropriate action. This will prevent hiccups, and minimize teething problems during the use of ETS.

### **SEVEN CRITICAL DO'S AND DON'TS FOR BIDDERS**

Specifically, for Supplier organizations, the following **'SEVEN KEY INSTRUCTIONS for BIDDERS'** must be assiduously adhered to:

1. Obtain individual Digital Signing Certificate (DSC or DC) of Class III well in advance of your tender submission deadline on ETS.
2. Register your organization on ETS well in advance of the important deadlines for your first tender on ETS viz 'Date and Time of Closure of Procurement of Tender Documents' and 'Last Date and Time of Receipt of Bids'. Please note that even after acceptance of your registration by the Service Provider, to respond to a tender you will also require time to complete activities related to your organization, such as creation of -- Marketing Authority

(MA) [ie a department within the Supplier/ Bidder Organization responsible for responding to tenders], users for one or more such MAs, assigning roles to them, etc. It is mandatory to create at least one MA. This unique feature of creating an MA enhances security and accountability within the Supplier/ Bidder Organization

3. Get your organization's concerned executives trained on ETS well in advance of your first tender submission deadline on ETS.
4. For responding to any particular tender, the tender (ie its Tender Search Code or TSC) has to be assigned to an MA. Further, an 'Official Copy of Tender Documents' should be procured/ downloaded before the expiry of Date and Time of Closure of Procurement of Tender Documents. Note: Official copy of Tender Documents is distinct from downloading 'Free Copy of Tender Documents'. Official copy of Tender Documents is the equivalent of procuring physical copy of Tender Documents with official receipt in the paper-based manual tendering system.
5. Submit your bids well in advance of tender submission deadline on ETS (There could be last minute problems due to internet timeout, breakdown, etc.)
6. It is the responsibility of each bidder to remember and securely store the Pass-Phrase for each Bid-Part submitted by that bidder. The bidders are required to submit correct, valid and operative Pass-Phrase to decrypt either Technical Bid Part or Financial Bid Part in a separate sealed envelope before due date and time of submission of bid. In the event, the bids are not opened with the pass-phrase submitted by bidder, SECI may ask for re-submission/ clarification for correct pass-phrase. If bidder fails to submit correct pass-phrase immediately as requested by SECI, the Tender Processing Fee and Tender Document Fee, if applicable, shall be forfeited and bid shall not be opened, and EMD shall be refunded. No request on this account shall be entertained by SECI.
7. ETS will make your bid available for opening during the Online Public Tender Opening Event (TOE) 'ONLY IF' the status pertaining Overall Bid-Submission is 'COMPLETE'. For the purpose of record, the bidder can generate and save a copy of 'Final Submission Receipt'. This receipt can be generated from 'Bid-Submission Overview Page' only if the status pertaining overall Bid-Submission' is 'COMPLETE'

**NOTE:**

*While the first three instructions mentioned above are especially relevant to first-time users of ETS, the fourth, fifth, sixth and seventh instructions are relevant at all times.*

**ADDITIONAL DOs AND DON'Ts FOR BIDDERS PARTICIPATING IN e-REVERSE AUCTION**

1. Get your organization's concerned executives trained for e-Reverse Auction related processes on ETS well in advance of the start of e-Reverse Auction.
2. For responding to any particular e-Reverse Auction, the e-Reverse Auction (i.e. its Reverse Auction Search Code or RASC) has to be assigned to an MA.

3. It is important for each bidder to thoroughly read the 'rules and related criterion' for the e-Reverse Auction as defined by the Buyer organization.
4. It is important to digitally-sign your 'Final bid' after the end of e-Reverse Auction bidding event.

**Pre-requisite for participation in bidding process**

- Bidder must possess a PC/ Laptop with Windows 7 professional operating system and Internet Explorer 8 or 9 for hassle free bidding. Bidder is essentially required to effect the security settings as defined in the portal.
- The Bidder must have a high-speed internet connectivity (preferably Broadband) with internet explorer to access ISN-ETS's e-Tender Portal for downloading the Tender document and uploading/ submitting the Bids.
- A valid e-mail ID of the Organization/ Firm

## **TERMS & CONDITIONS OF REVERSE AUCTION**

After opening of Financial bids and short-listing of bidders based on the tariff and total capacity of project of qualified Project(s), SECI shall resort to “REVERSE AUCTION PROCEDURE”. Reverse Auction shall be conducted as per methodology specified in Section-V and other provisions of Reverse Auction in RfS Documents and their subsequent Addenda/ Amendments/ Clarifications. Bidders in their own interest, are advised to go through the documents in entirety. The Terms & Conditions and Business Rules mentioned hereunder are in brief and may not give complete explanations. Further these are supplementary in nature.

1. Bidders shall ensure online submission of their ‘Bid Price’ within the auction period.
2. Bidders shall ensure to take all necessary training and assistance before commencement of reverse auction to the interested bidders on chargeable basis to be paid directly to ISN-ETS.
3. Business rules for Reverse Auction like event date, time, bid decrement, extension etc. shall be as per the business rules, enumerated in the RfS document or intimated later on, for compliance.
4. Reverse auction will be conducted on scheduled date & time, as mentioned in the RfS document.
5. Bidders should acquaint themselves of the ‘Business Rules of Reverse Auction’, which is enclosed separately in the RfS document.
6. If the Bidder or any of his representatives are found to be involved in Price manipulation/ cartel formation of any kind, directly or indirectly by communicating with other bidders, action as per extant SECI guidelines, shall be initiated by SECI.
7. The Bidder shall not divulge either his Bids or any other exclusive details of SECI to any other party.
8. Period of validity of Prices received through Reverse Auction shall be same as that of the period of validity of bids offered.
9. Bidders should also note that:
  - a) Although extension time is ‘8’ minutes, there is a time lag between the actual placing the bid on the local computer of the bidder and the refreshing of the data on to the server for the visibility to the Owner. Considering the processing time for data exchange and the possible network congestion, bidders must avoid the last minute hosting of the Financial Bid during reverse auction.
  - b) Participating bidder will agree to non-disclosure of trade information regarding the purchase, identity of SECI, bid process, bid technology, bid documentation and bid details.
  - c) It is brought to the attention of the bidders that the bid event will lead to the final price of bidders only.

- d) Technical and other non-commercial queries (not impacting price) can only be routed to the SECI contact personnel indicated in the RfS document.
- e) Order finalization and post order activities such issue of LOA, signing of PPA etc. would be transacted directly between successful bidder(s) and SECI.
- f) LOA shall be placed outside the ETS e-portal & further processing of the LOA shall also be outside the system.
- g) In case of any problem faced by the bidder during Reverse Auction and for all Bidding process related queries, bidders are advised to contact the persons indicated in Annexure - C of the RfS document.
- h) Bidders are advised to visit the auction page and login into the system well in advance to identify/ rectify the problems to avoid last minute hitches.
- i) SECI will not be responsible for any PC configuration/ Java related issues, software/ hardware related issues, telephone line glitches and breakdown/ slow speed in internet connection of PC at Bidder's end.
- j) Bidders may note that it may not be possible to extend any help, during Reverse Auction, over phone or in person in relation to rectification of PC/ Internet/ Java related issues and Bidder may lose the chance of participation in the auction.

10. For access to the Reverse Auction site, the following URL is to be used:  
<https://www.bharat-electronictender.com>

11. No queries shall be entertained while Reverse Auction is in progress.

## **BUSINESS RULES OF REVERSE AUCTION**

Reverse Auction shall be conducted as per methodology specified in Section - V and other provisions of Reverse Auction in RfS documents and their subsequent Amendments/ Clarifications/ Addenda. Bidders, in their own interest, are advised to go through the documents in entirety.

The following would be parameters for e-Reverse Auction:

<b>Sl. No.</b>	<b>Parameter</b>	<b>Value</b>
1.	Date and Time of Reverse-Auction Bidding Event	To be intimated Later to Eligible Bidders
2.	Duration of Reverse-Auction Bidding Event	30 minutes
3.	Automatic extension of the 'Reverse-Auction closing Time', if last bid received is within a 'Predefined Time-Duration' before the 'Reverse-Auction Closing Time'	Yes
3.1	Pre-defined Time-Duration	08 Minutes
3.2	Automatic extension Time-Duration	08 Minutes
3.3	Maximum number of Auto-Extension	Unlimited Extension
4.	Entity-Start-Price	Tariff quoted by the bidders in Financial Bid (Second Envelope)

Online Reverse Auction shall be conducted by SECI on pre-specified date and time, while the bidders shall be quoting from their own offices/ place of their choice. Internet connectivity shall have to be ensured by bidders themselves.

During the Reverse Auction, any requests for extension of time will not be considered by SECI. Bidders are therefore requested to make all the necessary arrangements/ alternatives whatever required so that they are able to participate in the Reverse Auction successfully. Failure of power or loss of connectivity at the premises of bidders during the Reverse Auction cannot be the cause for not participating in the Reverse Auction. SECI shall not be responsible for such eventualities.

Bidders are advised to get fully trained and clear all their doubts such as refreshing of Screen, capacity/ no. of projects being auctioned, auction rules etc.

SECI reserves the right to cancel/ reschedule/ extend the Reverse Auction process/ tender at any time, before ordering, without assigning any reason.

SECI shall not have any liability to bidders for any interruption or delay in access to the auction website irrespective of the cause. In such cases, the decision of SECI shall be binding on the bidders.

Other terms and conditions shall be as per bidder's techno-commercial offers and as per the RfS document and other correspondences, if any, till date.
