

## **Stakeholder Consultation for Finalization of Environmental and Social Management Framework**

SECI is a CPSU under the aegis of Ministry of New and Renewable Energy (MNRE) in the area of Renewable Energy. SECI is the implementing agency for various Government of India schemes for promotion of Solar and Wind energy. SECI is also active in development of its own projects' portfolio in Solar and Wind energy.

SECI has partnered with the World Bank to set up solar and wind projects in innovative technologies, such as solar-wind hybrid, floating solar etc. coupled with battery storage solutions. As the first project under this category, a 160 MW solar-wind hybrid project is being developed at Ramagiri, Andhra Pradesh.

As part of its Environment and Social management process, SECI has developed an Environmental and Social Management Framework (ESMF) document in consultation with the World Bank. The draft document is available on SECI's website on the link <http://seci.co.in/web-data/docs/ESMF%20FINAL%20DRAFT1.pdf>

In this regard, a consultation meeting is also planned on 28th August, 2018 at 14:30 hrs. at SECI office, at the below mentioned address:

**Solar Energy Corporation of India Limited**

**5th Floor, D-3, A Wing, Prius Platinum Building**

**District Centre, Saket, New Delhi - 110017**

As a valuable stakeholder, you are cordially invited to give your suggestions (if any) on the framework to improve its efficacy and add value. It is hereby requested to depute officials to share your valuable insights.

Due to seating constraints, kindly restrict to maximum of 2 persons.

Kindly confirm your presence by return mail by 27<sup>th</sup> August, 2018.
